

Win Tonawanda tournament

It was the only way to end the season.

The Georgetown Standard Product major pee wees wound up another successful year of hockey on the weekend, south of the Canadian border, when they won the championship of a tournament held in North Tonawanda, New York. They swept their way through the three days of play without a loss.

Although all four of their games were wins, the only clear-cut win was the one they had over Elmira, in which they defeated them 8-3. The closest the team came to losing was the big one.

In the final game Sunday, for all the marbles, the team had to make a last minute third period surge against the Port Colbourne team. With less than a few minutes remaining to play and the score 1-0 in favour of their opponents, Todd Cull and Keith Rieger teamed up to score and force the overtime.

That is when the team quickly put it all together. Rieger and Cull got together again, and made the team

the toast of the tournament, when they notched the game winner just 1.43 into overtime.

The strong goaltending of Marc Bertrand and Stephen Roy enabled the team to advance to the final.

In the first game of the tourney, on Thursday, Georgetown scored a 4-3 win over the District 5 team from Tonawanda. Wayne Morrow from Glen Leslie got the first goal for the Standard team. Brent Smith unassisted got number two, Morrow again, from John Barclay had number three and Rieger from Mike O'Brien tallied for the winner.

In their only big win, over Elmira, Friday, Rieger, Brent Smith and Morrow had two and Steve Turner and Stephen Marcolini had single goals. Jay Anderson, Glen Leslie, Smith, Morrow and Marcolini had the assists.

Getting into the championship game came with a 4-2 win over Pelham. Leslie from Anderson, Anderson from Leslie, Rieger from Anderson and Marcolini unassisted, opened the door to the championship.

Going in for a shot on goal was only one of the many drills older players performed during Saturday's Optimist Showdown at Gordon Alcott.
