## Precision team placed second

By Irene Soal  
The Precision Team of the Georgetown Figure Skating Club travelled to Thorold for their first competition recently and to the delight of all concerned placed second in their category.

The Linwell Skating Club hosts the annual Precision Skating Competition, now the second largest of its kind in Canada, drawing competitors from all over Ontario and as far away as Boston, Massachusetts.

The nine attending members were presented with silver medals for their innovative and well-executed program which caught the favorable eye of three of the seven judges who awarded them first placement.

The team, consisting of Shelley Foskett, Charlene Grummelt, Jennifer

Henwood, Teri Lamb, Lynn Muir, Joanne Searle, Kathy Soal, Karen Sparkes and (absent) Janet Shepherd, were pleased with their close second as was their pro, Mrs. Gale Verhaegen.

Managers, Mrs. Enid Muir and Mrs. I Soal had original-

ly entered the girls for the experience of competing together and the camaraderie and friendship which prevails at these events.

The Gold medal was won by Wainfleet Silver Blades. The Bronze went to St. Catharines Charmers.

## Golden Age playoff winners to be determined Friday

In playoff action, most sports are a whole new ball game with the results sometimes dramatically different. Yet other times they are the same as the rest of the season. In Golden Age bowling playoff action this week, both instances proved to be the case.

With the Corner Pins team ending the regular season in first place, they were not eligible to win in the playoffs, so they were allowed in further play, but their scores would not be counted. Instead the remaining 10 teams were split into A and B divisions.

The Sluggers, who finished fourth overall, lead the A division in the two-week total point playoff while the Half and Halfers are atop the B division. They finished sixth.

The A decision scores this week were: Sluggers 2,638, Expos 2,574, 747s 2,500, Rolling Pins 2,479, Blue Jays 2,423. In B division the Half and Halfers had the high score for the day of 2,665, with the Six Dolls rolling up 2,520, Slow and Easy 2,459,

Friendly Five 2,451 and Raiders 2,445.

Most teams play with five bowlers but, only the top four scores are counted. Final winners will be determined this Friday when the second week of the playoffs is completed.
