

Soccer Talk with Alex Tough

Registrations are almost sorted out

Player registrations are almost sorted out.

At boys squirt, mini level (1973) we have 12 teams and require six more players to complete the teams. At boys major squirt (1972) we need nine players to complete the nine teams.

At boys atom (1971-70) we have sufficient players to make nine teams. At girls atom (1972/71) we are looking for five more players to make two teams.

At boys mosquito (1969-68) we need three players and the girls (1970-69) need six players to complete the teams.

Boys pee wee (1967-66) is also complete and the girls (1968-67-66) need eight more.

The bantam-junior boys and girls (1965-4-3-2-1) situation is not quite clear at time of writing and all who still wish to play may go on the waiting list and should contact June and Colin Wilde at 877-2554.

OFFICIALS

The commissioners, coaches and managers standing

is also not clear at the moment, which is not unusual, is it?

The girls will, of course, be playing in the girls leagues as there are enough teams from Georgetown, Acton, Pineview, Milton and Bolton to make up a nice league.

The boys are looking at requests to play from Milton, Hillsburgh, Caledon, Pineview and Ballinafad and that will be decided upon by this weekend.

The Falcon organized indoor soccer league heads into playoffs this evening. The final is next week and presentations follow at the 'St. George'. Bob Morrow, George Baines, and Joe Cairns, have done a great job of organizing and policing this innovating venture.

The boot exchange days are slightly misnamed and an explanation is perhaps in order. You bring unwanted boots to the table and the club will purchase them for a few dollars, add a little on,

and offer them for resale. Usually this is a loss venture, and is purely a service by hard working members. See you then on 19th and 26th at Cedarvale and watch for our ads.

2.5 MILLION TO HOCKEY

It is interesting to note that the government is putting \$2.5 million into hockey. They didn't ask me, or anyone else, if we agreed. Perhaps the money is much needed. What about other sports? Soccer? Athletics? Don't they need support?

Deserve support? It strikes me if the country can afford for one avenue, it can afford for all.

Locally we are being charged for facilities this year. I do not object to the user-pay principle. I do object to selective charging. Charge one, charge all, I say. One point made in support of charges was that the revenue obtained would enable a better case to be presented to obtain funding. Soccer reluctantly accepted the arrangement for this year, and we shall

see what happens. See you around folks.

BLIZZARD BY-LINE

The Blizzard NASL soccer team came back home following a second loss, 3-1 to Atlanta Saturday.

They began the game strongly and confidently culminating in a Jomo Sono goal in the first quarter. Careless defense then allowed two goals before the half.

Atlanta came into the game with effort and tight

marking and contained the Blizzard without too much difficulty. Sono and Lorimer worked hard and Tony Chursky again made several key saves. Morini was taken off injured midway through the first half.

Gordon Sweetzer made his debut, substituting for Cucavecic in the second. Toronto played fairly well in the mid field, lacked punch up front and cohesion at the back.

The next game is at Exhibition Stadium this Sunday at 2:30 p.m.
