Ball season opens Sunday

A Newfoundland Club pitcher will throw out the first baseball of the 1980 season Sunday morning at 9 a.m. at the Georgetown Fairgrounds Park, diamond B. From that pitch on, the Georgetown Men's Fastball show will jump from the rubber Monday night and the Ladies Powderpuffers start Wednesday.

The J.C. Trailers will provide the opposition for the Newfoundland Club. At the same time out at Stewarttown the Jaycees and the Fire Department hit the field for their first game. Then at 10.30, at this diamond the Kinsmen and Park Lincoln tangle.

Monday night in Georgetown at the fairgrounds, six of the nine teams in the industrial fastball league do battle. Peel Police and Philp Publishing go at 6.30 as do C&S Plumbing, and Akers-Clark Realty. At 8.30, the

Merchants and Norval will trade outs.

Wednesday evening will be just an organizational fun night for the ladies of the powderpuff league. The

next week they will get into regular play.

The rest of the area softball and baseball leagues get underway in a couple more weeks on the long weekend.
