

Your Hamilton Automobile Club's

77TH BIRTHDAY SALE

In 1903, the horseless carriage was a rarity. Some people said it was just a passing fancy.

They probably laughed when the Hamilton Automobile Club was formed.

Only 19 members registered in our very first year. That's not surprising. In 1903, there were only 178 cars in all of Ontario.

But, when you start with a good idea, you're bound to grow.

So, the Hamilton Automobile Club has never stopped growing.

CELEBRATE BY PAYING ONLY 77% OF REGULAR PRICE FOR MASTER MEMBERSHIP IN CANADA'S OLDEST AUTOMOBILE CLUB

In 1980, our membership includes over 121,000 motorists from Hamilton-Wentworth and Halton, Brant and Haldimand /Norfolk.

A good idea from the start is an even better idea now.

Cars are more complex. Emergency service is very expensive. And we have added new services year after year.

It's hard to imagine being without an HAC membership card when you know how much you get. Especially when you know how little it costs!
