Your HAC hotline brings help fast — 24 hours a day, 365 days a year

What will you, or a member of your family do, if you have car trouble tonight. It can happen to anyone at anytime. You can have a flat tire. Or your battery will die. Or you'll run out of gas. Or . . . you name it.

If you're on your own, you'll try to find a service station that's open. That's not easy with the trend to self-serve gas bars. You'll plead for help. You'll wait and wait. And you'll pay an arm and a leg. A \$20.00 to \$30.00 service charge is not at all unusual.

But you're never alone if you're an HAC member. Just dial the Hot Line number on your membership card. We'll send a radio-dispatched HAC service vehicle. Or we'll make sure you get help fast from an HAC-approved service station.

One service call could easily pay for your HAC membership. And from then on, you're saving money.

An average of 8 out of 10 members required vehicle assistance.

Last year, we provided emergency service for 97,621 vehicles — or an average of 83% of our members were assisted when stranded with car problems.

Help far from home, too.

Car trouble can be big trouble if you're far away from home.

But your HAC membership card works for you at 22,000 service stations approved by our CAA and AAA affiliates.

Many other services too.

Obviously, no-charge emergency service is reason enough to join HAC. However, there are many other benefits — many of which save you more money.

There isn't room to mention them all. Here are some of the highlights:
