

Eight teams ready to play

All eight teams were represented at the Georgetown Flag Football league's pre-season meeting on Sunday. And all appeared to be enthusiastic about the upcoming campaign.

The meeting was also the final date for team registrations of up to 18 players. Any of the teams not signing the full 'limit will receive players that sign up in the individual registration. Hopefully all teams will have their full complement by the June kick-off date.

This year will see the return of the defending league champs, the Delrex Smoke Shop and the finalists from the Dairy Queen. Both teams will be substantially changed this year with both teams hoping for another big year.

The other six teams include the Glen team, which was last year's Crichton Brothers team, Dave's BP, Fobert Real Estate, the Halton Hogs which is predominantly policemen from the area, the Greek Tavern and Wimpey's Restaurant.

Referee-in-chief Ross Elliott told those who attended the meeting that everyone will have a copy of the rules this year so there shouldn't be any disputes the way there have been in the last few years.

There will also be a referee's clinic held at Cedarvale on May 31, which will be sponsored by the Ontario Flag Football Association.

"There will be a league representative from Ottawa who will conduct the clinic," Elliott said. "There will be films and a review of our particular league amendments in the four hour session. You guys are paying the referees more money this year so you should get a better calibre of referee. It's embarrassing to be asking Fred Harris all the time when you're not sure of a tricky rule."

Individual registrations will be accepted up until May 17 at Ego Fashions. Those signing will be placed on teams without the full complement of 18 players on a first signed, first served basis.

Kickoff time on June 1 will be at 9:00 a.m. and will feature the McLaren Cup winners (the league's championship trophy) the Delrex Smokers and the Halton Hogs.

In other games the Dairy Queen will take on Fobert Real Estate at 10:00 a.m. and Wimpey's Restaurant will battle Dave's BP at 11:15 a.m. and the Glen Williams' team will look for their first victory over the Greek Tavern boys at 12:30.

Many teams are gearing up for this year's season and competition should be much improved over last year. There is an exhibition game tentatively scheduled between the Delrex Smokers and the Glen for 11 a.m. on May 25 at the high school.

Championship form

Ben Kern fires a drive off the fairway, during the extra playoff round, that helped him and his partner Bob Panasiuk, in the background, win the Rolex Pro Team golf championship Monday at North Halton.

Seven locals at Longhorn football training camp

Seven Georgetown players are in the training camp of the Oakville Longhorns this week vying for positions with the junior football club. Leading the local contingent are veteran receivers Mitch Leblanc, who is back with the team as one of the best tight ends in the league and Al Bower a dependable outside catcher. Rookie receiver John Karolidis will face his stiffest competition from his fellow residents.

On the defensive team Rob

McKelvey, another veteran on the line will be returning along with a pair of linebackers, John Hailburton and Jeff Lockwood. Lockwood's brother Bobby will be competing against 25 others for a position as a defensive back.

Former Canadian Football League (CFL) star Andy Hopkins has joined the coaching staff this season to aid head coach Bruce Gilroy in putting the young players through the paces.

Ball hockey out

Efforts to start up separate ball hockey leagues in Georgetown and Acton this summer have proven futile.

In Acton John McCutcheon said only 15 players came out Saturday morning to register for what was supposed to have been a four team league. If no more interest is shown then the Thursday night time slot at the

Acton arena will be used by those who have already signed up. The players will be divided and will play a scrimmage.

The Georgetown league didn't get off the ground due to several difficulties. Doug Pemberton had trouble getting the groundwork started in time for this season.
