

Plenty of heavy hitters

Limehouse men start ball season

The Ballinafad Blue Jays played errorless ball this past Tuesday to open the Limehouse Men's Softball League with a 3-2 win over the Limehouse Hustlers. In other games the Petrohau Oilers had an easy 18-6 win over the Limehouse Rocks, the Indusmin Rockets downed the Huttonville Hawks 17-2, then defeated

the Oilers 5-0, the Blue Jays walloped the Hawks 20-3 and the Hustlers did the Rocks in 21-7.

Dan Engleby, Jack Woods and Bob Scofield scored the winning runs for the Blue Jays in the first game. That was somewhat of a feat since the Hustler pitcher Brad DeForest

struck out 10 batters. However he also allowed eight hits.

Glen Scott with an inside the park homer combined with Earl Maltby's triple to count for the Hustlers.

The heavy hitting bat of Steve Favro led the Petrohau Oilers to their big win over the Limehouse Rocks. He went three for four at the plate driving in four runs. Joe Scott came up with two triples and a double for the Oilers to help the cause. Jamie Morten with a good defensive effort and a couple of doubles and a single run contributed significantly also.

Bruce Janson batted a 1,000 in this game getting a hit all four times he got up to swing for the Rocks. Gord Thompson and Simon Fenn each had two RBIs for the Limehouses.

For four innings Rob Campbell threw a no hitter against the Huttonville Hawks for the Indusmin Rockets. Then the Hawks got a few hits. But, it wasn't enough as the Rockets turned on the jets for

the win.

Sunday the Rockets met the Oilers where they moved into first place in the standings with their second win. Campbell and Dennis Jennings shared the mound holding the Oilers to only two hits. Their outfield did the rest.

Tony Case went all the way for the Oilers giving up nine hits. Randy Case in the outfield helped to hold the Rockets down to five runs.

The Blue Jays moved into a

tie for first with their trouncing of the Hawks. Jack Wood's pitching, Ron Anderson's defensive work, Morley Shorthill's hitting and Dave Green's base running made the difference.

Chris Zardo and Dave Thomson were two for two for the Hawks.

In yet another lopsided win, the Hustlers walked all over the Rocks. Jamie Frank belted an inside the park homer as well as adding a strong

defensive game at shortstop. Glen Scott ended up two for two hitting in addition to his strong centre fielding. Pitcher Ivan Wheeler, who went for four of the innings, added his team with a four for four record at home plate.

Steve Thompson layed the wood to Hustler pitcher four out of five tries. Simon Fenn gave it a try at evening up the game with two of three hits. Gord Thompson was a strong catcher for the Rocks.

Glen Merchants get first win

The Glen Williams Merchants finally got their first win in three starts in the Halton and Rural Football League. Friday in Erin they pulled off a 9-2 win to end their brief two-game slump. Earlier they had lost 3-0 to Orangeville and 2-1 to Fergus.

Behind the sun-tanned arm of Terry Haines, the Glen team had little trouble getting their first win. Bert Osborne and Jack Bergman made it home three times while Bob Marchand made the trip twice and Rob Hatcher did it once.

Haines, who pitched the two other losing efforts, just returned prior to them from California where he spent two weeks with his older brother Jeff who was the starting pitcher for this team last year.

Filling his shoes this year will be difficult but, the young 19-year-old brother appears to be up for the task.

The Merchants play a rare Sunday afternoon game at the

Glen this week against Alton. Game time is 2 p.m.

The team is gearing up for its annual tournament which goes in two weeks time. Manager John Haines says there are already 10 teams entered, including many locals. Two more teams will be eligible.

NO WAY!

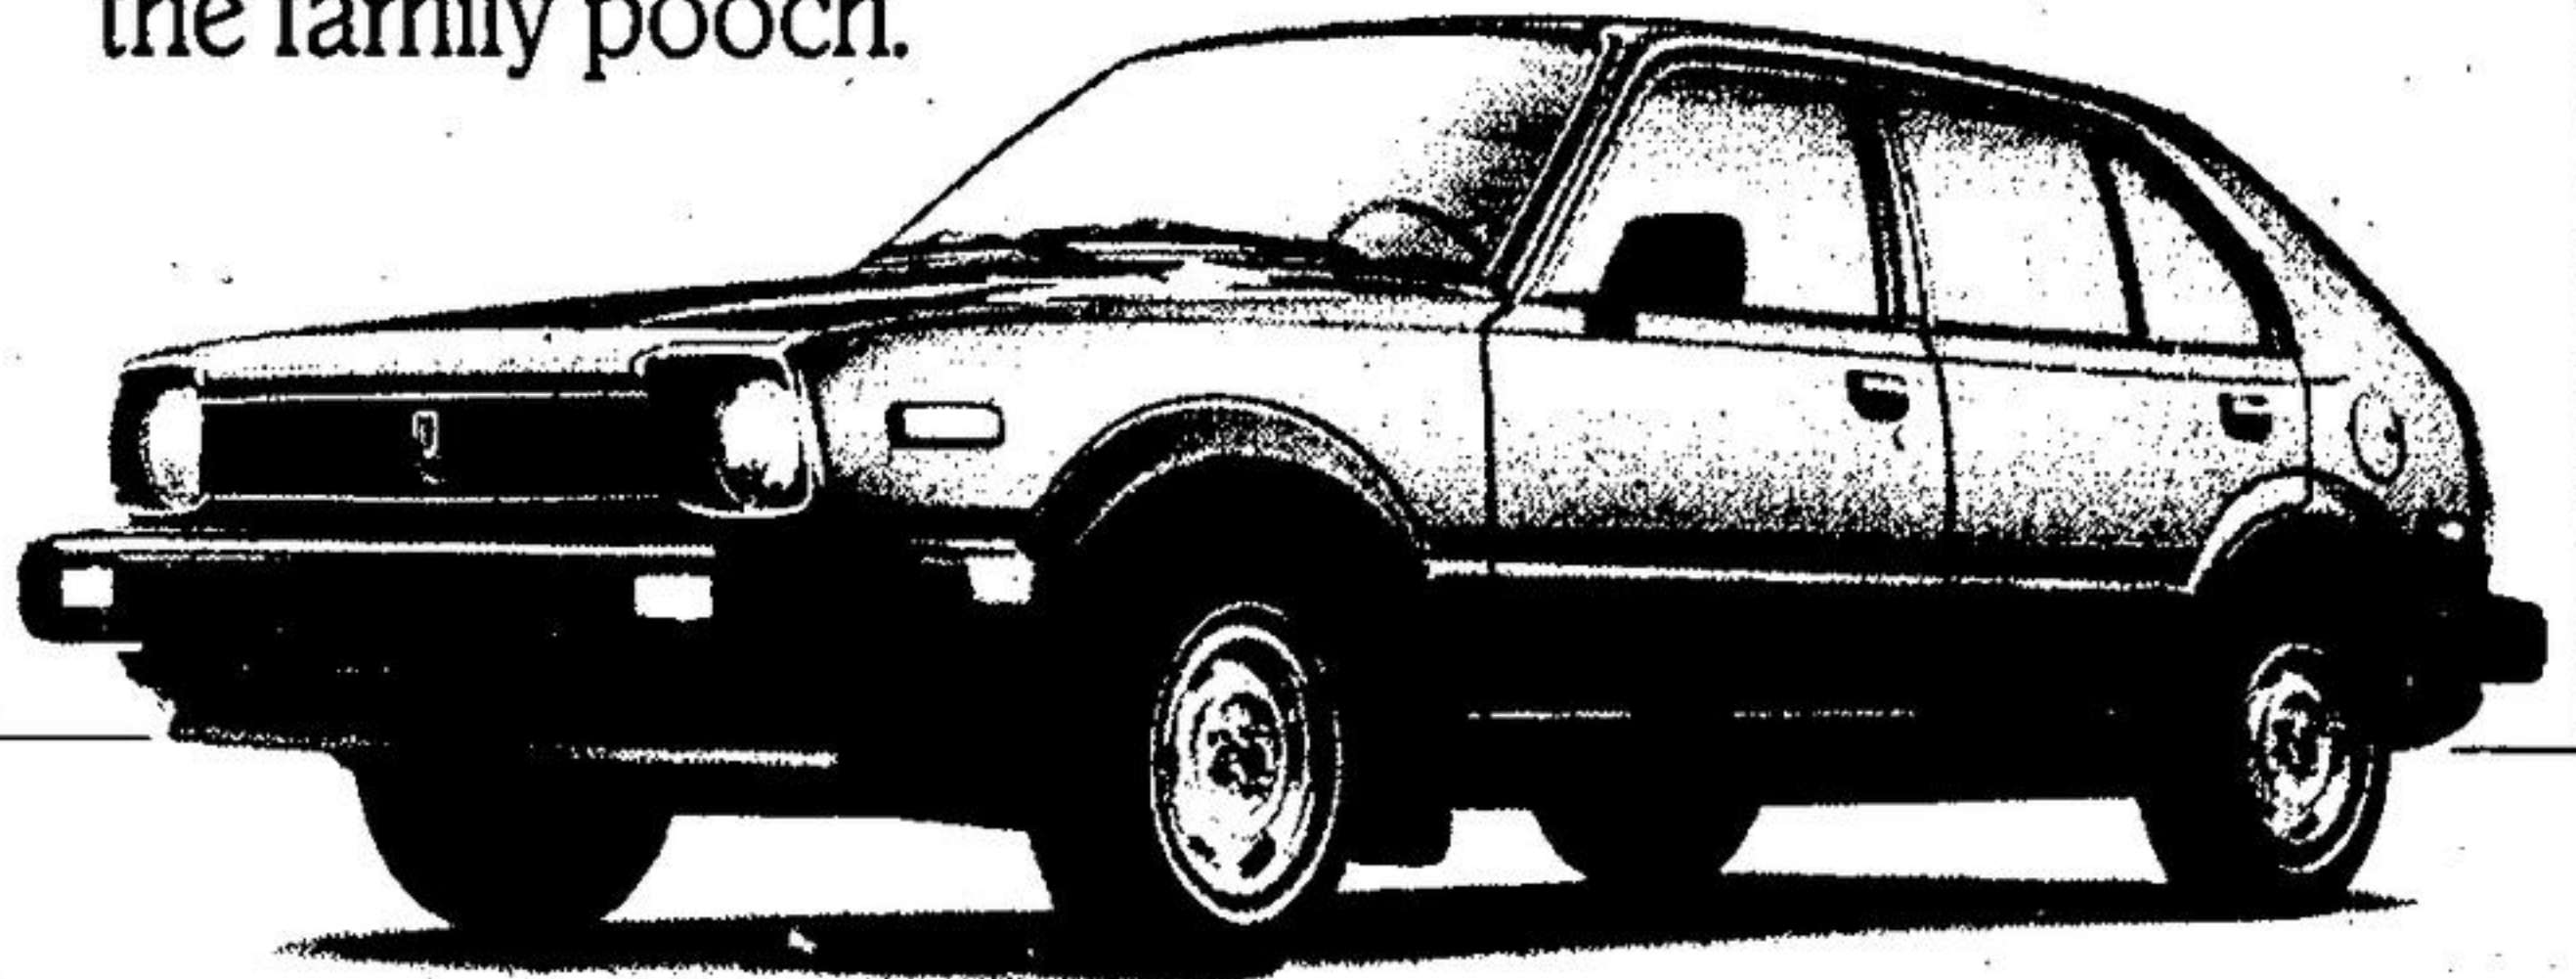

THAT'S A BALL IF I'VE EVER SEEN ONE

The best thing to do when a pitcher throws a wild ball is step back and get out of the way. That's what this young hardball batter did. The next pitch he got his hit.

THE FIRST EVER 5-DOOR HONDA CIVIC.

Honda's new 5-door Civic has separate entrances for the whole family. Billy and his teddybear use the right rear door. Julie uses the left rear door. Dad uses the left front door. Mom the right. Rover uses the back door, except when Mom and Dad are using it for groceries and things. Everyone loves the large interior, but Mom and Dad's favourite features are the super mileage and child proof locks. Of course, when Billy and Julie are old enough to drive, they'll put Mom and Dad in the back (but they'll never take a back seat to comfort). The new 5-door Civic has something for everyone, including the family pooch.
