THE CORPORATION OF THE TOWN OF HALTON HILLS

1979 FINANCIAL REPORT

MESSAGE FROM THE MAYOR

I am pleased to provide some of the highlights of the Town of Halton Hills financial operations for 1979.

- The Town ended the year with a general surplus of \$530,361. This surplus represented both careful control over our expenditures, as well as generating additional revenue from investment of Town funds.
- The Town's overall financial position remains strong, as our reserves and reserve funds amounted to \$1,341,000 at the end of the year, while the long term debt for general Municipal activities was reduced to \$1,238,000. No new debentures were issued during the year, and the outstanding debt per capita remains lower than surrounding Municipalities.
- Capital programmes were carried out in 1979 with gross expenditures in excess of \$1,800,000. The programmes included Road Construction, Storm Sewers, Erosion Control Projects, and the acquisition of property.
- We have continued to restrict the tax increase for the services over which the Town has direct control, to a level considerably lower than the rate of inflation.

Other Highlights
During 1979 an Architect was engaged to design the Library and Cultural Facility to be located at the present Library site in Georgetown. Tenders will be called for the construction of this project in 1980. This structure, consisting of a Library, Gallery, Meeting Room, and a 281 seat Theatre will fill a very definite need of the residents of Halton Hills.

In conclusion, I would like to assure you that your Council is striving to provide a high level of service at a price that the taxpayers can afford.

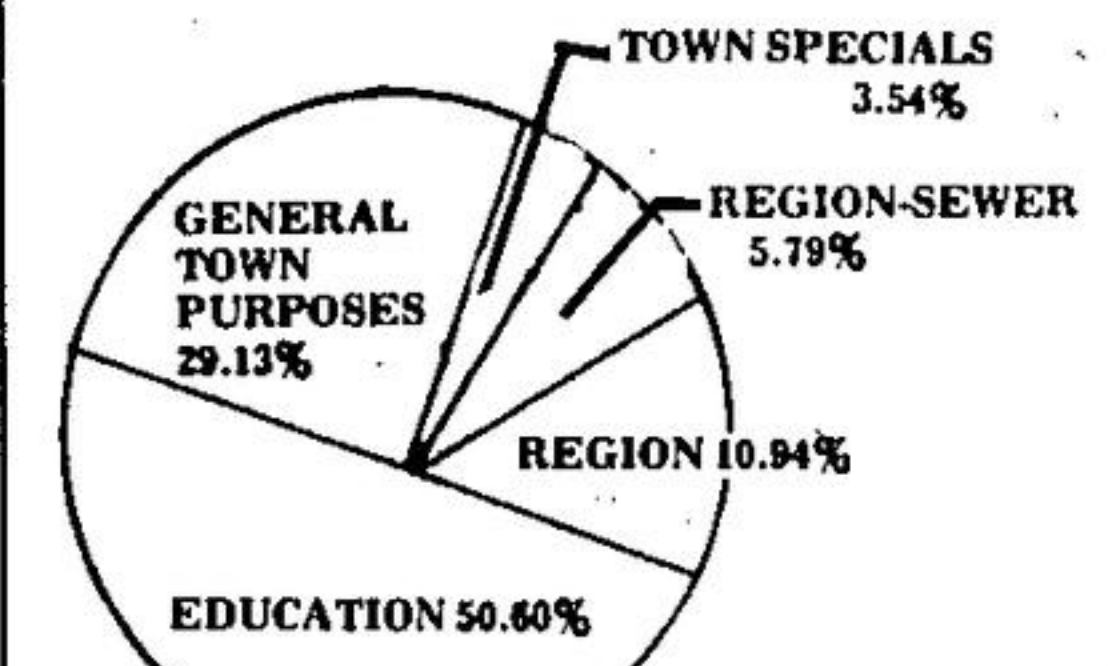

Peter D. Pomeroy
Mayor
