Strathmore IODE ends 1979-80 season

The Countess of Strathmore chapter of the I.O.D.E. wound up its activities until September with a pot luck supper and social evening, held at the home of Joan Meers.

The Regent June Ross, presided at the short business meeting; the standards were placed by Margery Mackenzie, and the minutes read by Secretary Freddie Burton.

In the absence of treasurer Helen MacDonald, the treasurer's report was presented by Jean Mackenzie.

The Regent then called upon Education Secretary Ruth Evans to report on the recent adoption by the chapter of a school in Makkovic, Labrador. Since the chapter has already

received individual letters from several of the pupils, the education secretary had apportioned the letters to various individual members to reply personally.

She herself had written to the principal of the school to ask for an idea of their specific needs within the framework of the finances available. The education secretary then asked for authority to use the funds allocated to the school if the need arises before another business meeting in September. A motion to this effect was called for, approved and seconded, and the chapter hopes to hear in the near future, in order that they can proceed without delay.

A record number of mem-

bers were in attendance, all of whom contributed an excellent variety of children's toys to be shipped by Hazel MacMillan, Services Home and Abroad Secretary, who also requested permission to purchase the necessary articles to complete a baby's layette.

After an enjoyable evening, the members disbanded until September. The Countess of Strathmore Chapter would be very happy to hear, from I.O.D.E. members from other chapters who have re-located in this area, with a view to renewing their membership with our local chapter.

JULY 12 WEDDING

Mr. and Mrs. Kenneth Faulkner of Georgetown are pleased to announce the forthcoming marriage of their daughter, Lori, to Peter Cowell, son of Pamela Cowell of Bramalea. The wedding will take place Saturday, July 12, 1980, at 4 p.m. in Knox Presbyterian Church, Georgetown.

Visitors here from BC

Bob Hillier will be in the clubroom this Saturday for your entertainment and, of course, for the mini-bingo fans, you will have a chance to play a few games and hopefully win a few games. Bring a friend or two and enjoy the evening.

We had the chance to meet a most delightful gentleman in our clubroom last Friday when we met Tom Davies from Branch 26 in Kelowna, B.C., who is here to attend the wedding of his grandson, Tom Davies of Limehouse.

Tom and his wife, Evelyn, are here for a three-week visit and have one week left. What I can recall of our very pleasant conversation was that Tom had travelled around the world twice, met his wife in India, mentioned Abbotsford (Bangladesh), and that the couple have six children - two born in India, one in Malaya, one in England and two in Canada (Chatham).

Perhaps if you have frequented these far-off places yourself, you may like to talk to

Tom and reminisce awhile. Also, Tom is a Welshman and is waiting to meet our president, Harold Badham, to have a talk with him. Nice meeting you, Tom, and enjoy the rest of your visit and your trip back home.

Edna Rippon is the sick convener for the Auxiliary and says to call her at 877-0812 if you know of someone who is sick or in hospital. Working at the hospital, Edna is an excellent choice, since she can visit our ailing comrades.

We congratulate 'Red' Roshier for his many years of service to our town; he can now have the time to devote to home and hobbies and join Fred Greenway and Ken Hergert, who have just recently retired also. Enjoy, gentlemen.

June 5 the car club winners were 143 Doreen Robinson, 325 Ken Riley, 95 Dave Wright, 392 Mrs. K. Frust, 262 Wayne Lawrie and 323 Bud Hill. For the week of June 12 we have 223 Don Dedman, 160 Hal Hulme, 140 Jim Wallace, 146

By Roma Timpson

Dave Osborne, 110 Geo. Lowin and 426 Lorne Garvin.

This Friday is a big day in our town, with the Professional Hockey Players Golf Tournament to be held at North Halton Golf and Country Club. We have Jack Timpson representing Branch 120, and an association close to our hearts, the NHAMR will be the recipients of quite a sizeable cheque after all the golfers have gone their way.

Eighteen tees have been for sale throughout the past few months, probably the fairways and the parking lot also. Hopefully, those of you who have the time will come out to see the hockey greats of the past and the present, and we wish Jack (perhaps better known as Jake) a good day and a successful round of golf. (Go get 'em, tiger).

No haggis at BBQ?

The Royal Canadian Legion (Branch 120) Pipe Band held a very successful steak BBQ following the Highland Games Saturday. Members would like to express sincere gratitude to W.F. Hunter for the use of his premises.

MPP Julian Reed presented a special gift to Rob Denham, who has decided to retire from the band, and will be missed by all his friends. Rob has been with the band since it was organized about 13 years ago.

Members express our thanks and appreciation to Hopper McLeod, Len Murdoch, Doug Sargent, and Ron Ritchie for lending a helping hand to make this night a success.
