

Ontario Outdoors

By R.C. (BOB) OLLIVIER

Congratulations to Kalvin Loveless of Limehouse. We had the opportunity of donating a stream tackle box with lures to the Christian Service Brigade Father and Son banquet at Maple Avenue Baptist Church, and Kalvin was the winner.

HUNTING LICENCE COURSE

Hunters education programs, offered at the Cold Creek Conservation area near Bolton. Next date are September 3, 5, 6 and 7. Keep them on your calendar and make arrangements now. Phone 661-6600, extension 288.

There are a few major changes in the hunting licences this year. Combined licence for deer and bear is eliminated, and now you require a separate one for each.

The expiry date of the 1986 spring bear licence is extended to December 31 for the transition period. A \$15 licence is required for deer but they must have an antler length of at least three inches (7.5 cm). You may obtain a tag for antlerless deer at a cost of one dollar extra, to be affixed to your regular deer licence.

Archery tags will be an extra dollar to the deer licence. A tag is also available to affix to your small game licence to hunt racoon at night. This will cost \$5.

It will now cost \$50 to hunt fox.

If you spotted the notice in last week's Herald, the Halton Region Conservation area has released a ten pound rainbow trout in the lake at Kelso and is offering a \$50 reward to the person who catches her. I have not heard whether or not the fish has been taken yet. If you can not get away this weekend, then why not head to Kelso and give it a try.

LOCAL FISH SPOTS

A few other close-by areas for fishing and picnicking are Glen Halfey where they stock about 1,000, (yes, one thousand) trout each week. Terra Cotta still has a FEW trout left over from the stocking before the season opened on April 25.

Fairy Lake in Acton, as I have mentioned many times is good this year. You are almost assured of a few fish if you fish there with care. There are always pan fish for the kids and bass and pike for Dad and Mom. Don't be surprised if the youngsters get them all.

Scotch Block, near Milton is good for bass but they may close it to the public if there are further instances of rowdiness like last year.

The mouth of the Credit River, as well as Sixteen Mile creek, is good for bass and sometimes pike. You may just get a pickeral, an honest to goodness pickeral, not a walleye in the last two areas. They are a fresh water fish and can not stand pollution, something quite rare these days.

For those getting away up north or east for some of the newly opened bass, look for water temperature of 66-72 F. and you will have a better chance of hitting the bass. If you can find this temperature on points, near good cover close to deep water, then you have a hot spot.

Use a white Sassy Shad made up as a spinner bait at night. Try it before you knock it. I will be trying spinner baits along with Rapalas and Plastic Worms. Besides this I will be using my fly rod, and if the water is choppy then there will be a streamer on the lipset.

It takes a lot of words to describe "Flippin'" as a technique, but it is worth it. I will try to get to this system soon, as it allows you to fish in the heaviest of brush. I have mentioned it here briefly, but will get to it in detail. Just remember that we are just getting into the best bass fishing of the year, at the beginning of the season. The temperature should be right and barring a storm front moving in, we should have a good fishing weekend in the ONTARIO OUTDOORS.

Flagfootball action

Greek's and Delrex win streaks alive

The bubble almost burst for the co-leaders of the Georgetown Flag Football League Sunday morning, as both the Greek's Tavern and Delrex Smoke Shop teams were hard pressed to keep their winning streaks alive. In fact it was an excellent weekend of football as the Greek's stole one from Wimpy's 28-21; the Smoke S Shop fought off a Dairy Queen charge 20-18; the Glen finally got in the win column with a 25-22 win over the Halton Hogs and the BP blasted Foberts 32-6.

WIMPY'S 28 - GREEKS 21
Wimpy's have a history of coming up big against the favorites and they did just that against the Greeks. Both teams stood toe-to-toe in the first half and were sawed off at 14 each at half time. Bob Lockwood and Gord McNeilly each had TD's for Wimpy's

with Dave Robertson chipping in a two point convert. John Karolidis and Rick Fisher had majors for the Tavern and Dean Scallen a two point convert.

The third quarter opened in a flurry as Wimpy quarterback Bob Lockwood connected with Don Scallen, then booted the convert to give them the lead.

The Greeks were out the ropes but came back with a pair of strikes to Dean Scallen and Mark Russell to go ahead. With less than two minutes to play, Wimpy's had marched to the Greek 15 yard line and were first and goal, but the drive stalled and the Tavern had a close win.

GLEN 25 - HOGS 22

After firing their coach this past week, and re-shuffling their line up for this game, the Glen came up with big effort

and narrowly put away the Halton Hogs.

The first half was all Glen Williams, with Bryan Cunningham and Bob Paul scoring majors and Andy Tyrell booting a 30 yard field goal and one convert.

Tyrell had another field goal in the second half, but then the Hogs came to life. That is to say Bill Allison came to life and potted three touchdowns and a two point conversion.

Terry Crawford had singles on two of the scores and it looked like another one would slip away from the Glen. Late in the fourth quarter the Glen tried a field goal which was blocked and Terry Campbell alertly made off with the rebound to put the winning score on the board.

SMOKERS 28 - DQ 16

In their three and a half year history the Delrex Smoke Shop

have lost only one game and that was to the Dairy Queen a year ago. History almost repeated itself Sunday, but a fired up Smoker defense kept them in the game until some help finally arrived from an offense that was out of synch all day.

Despite some rocky moments the Delrex offense put 10 on the board in the first half on the strength of a five yard touchdown to Chris Sargent and a 25-yard field goal by Bruce Cartwright. Jeff Lockwood kicked a single for the only DQ point of the half.

Cartwright opened the second with another field goal and Lockwood another single. Then the DQ got two touchdowns in a row to take a lead that looked like it might stand up. John Halliburton made a fine catch on the 20 yard pass that was deflected by two

defenders, then Steve Crossman hit from five yards out. With four minutes to go the Smoker defense snuffed a Dairy Queen drive and the offense got a chance to redeem itself. Jerry Neil hauled down a 10 yard pass from Cartwright to squeeze out the win.

BP 32 - FOBERTS 6

Fobert's were pounded again this week. BP's Jim McGill threw touchdown passes to Scott Mason (two), Wayne Densmore, Ken Baker and Rick Garen. Mason also had a two point convert.

Keith Peacock had the lone Fobert score in another dismal week for his team.

There are no games slated for next weekend but the following two weeks feature a back-to-back confrontation for first place between the upstart Greeks and the veteran Smoke Shop.

Up the creek with Paddlecade

Hundreds of Ontario youngsters will be better and safer canoeists this summer thanks to Canoe Ontario's mobile safety team which visited Acton's Fairy Lake, Prospect Park Saturday.

Travelling throughout the province, the two-member team holds "Paddlecades" at camps, clubs and schools and teaches the basics of canoe safety and stroke techniques.

"We also talk about hypothermia, the difference between PFD's (Personal Flotation Devices) and life jackets and the fit of paddles," said Hugh Dobson, who along

with Cathy Frost was teaching canoeing to a number of local area scouts and guides. The program also discusses portage techniques.

The Paddlecade program receives much of its funding from the Canadian National Sportsman's Show and the Ministry of Natural Resources.

Molson's and Labatt's also provide money for the program. A truck is supplied by International Harvester and major canoe companies supply the safety team's canoes.

The Paddlecade team will be in Milton today (Wednesday).

Braves battle Hawks for championship

Georgetown could have another winner on its hands, as of last night.

The Braves, of the Etobicoke Summer Basketball League, advanced to the finals this week after defeating the Etobicoke Celtics 82-63 in the quarter finals and winning the semi-finals by default when the York University team failed to muster enough players.

Braves coach Fred Harris told The Herald that the Celtics kept even with the Braves in the first half with the score tied at 33 at intermission.

"We played really slopped ball in the first half," Harris said. "We allowed only 30 points in the second half mainly because we tightened up all round. We really blew them out in the second half."

The team missed many foul shots early in the game but only missed four in the final frame.

As for Thursday's semi-final against the Lakers, a team consisting mainly of York uni-

versally players, it was apparent their coach had misinformed his players of playoff times and dates. The team is undoubtedly one of the best in the league, and many feel it may be the best. Unfortunately they won't get a chance to prove it this year. In one of their last games the team managed to get three players barred from the league, for going, for roughing up one of the referees.

The finals were played last night (Tuesday) at Martin-grove Collegiate. The Braves opposition was the Hawks, a team consisting mainly of Guelph University ball players.

Going into the championship game, most of the Braves felt that the team had a good chance of winning this year, even though the Hawks beat them 94-62 in their second last game of the seasons. The Braves blew a 12 point lead with ten minutes remaining in that one. This time they hope that it won't happen again.

The Georgetown Braves, of the Etobicoke Summer Basketball League played off for the championship last night against the Hawks. The team won its semi-final match (here) with the Celtics 82-63.

Cricketers draw another one

By KEN JONES
Georgetown Cricket Club may be setting a record for drawn games. They were held to their fourth draw by Mississauga Ramblers "B" at Yoder field on Saturday.

The game, which went in each other's favour to the last two overs, saw the visitors' R. Ramsakal, survive a controversial call before appealing on the last ball of the match, thus spoiling Georgetown's chances of winning.

Two bright spots in Georgetown's favour were the play of newcomer Jeevan Balkisson, who scored a sparkling fifty seven runs, consisting of nine fours and consistent batting by Skipper Ashok Kumar with 25.

In the bowling department

Neville Samaroo took three wickets for 41 runs, while Nerven Balkisson had two for thirty-four. Several other batsmen were run out.

At the outset of the game Georgetown looked as though they were going for another big score like last week, when the opening pair of Balkisson and S. Mongru scored at will especially the former.

Then came the rout as the middle batsmen were sent back to the stands adding a mere nineteen runs.

It all came down to a matter of time as Lloyd Jones' 11 not out just rounding into form tried to face the brunt of the bowling, failed to capitalize on an error and A. Dean attempting a big hit was bowled.

SATURDAY JUNE 28th
