

Soccer Talk with Alex Tough

Players between the ages of seven to 15 inclusive are invited to take part in a coaching school, from Tuesday July 1 to July 5.

The school is excellent and organized by Jeff Stephen of Soccer International. Jeff is an English and Canadian National coach, has a good way with kids and is highly recommended.

We issued leaflets, with entry forms, to all players through commissioners and coaches. The school is being run at the high school and will worth the entrance fee. Not only is it good for the players, perhaps also one week of school break taken care of for harassed parents.

Cedarvale's tight parking space was highlighted in short valuable moment recently. Parking is on first-come, first-served basis and not reservable. One thing seen is the increasing number of spectators as well as participants. Once we get the new area at Sinclair-Todd off Highway 7 the Neilson's-Erwin Dorsey ground in a playable condition, it should help. I am informed that there is to be parking in the designated areas only and not on busy Sinclair Avenue.

Field lining is again underway with Ian Wilde in charge. Ian carried out a good job last year and has started this season in like vein.

INNOCENTPUNISHED

One of the Falcon A team members was sent off in a game a week or so ago. The referee stated that the player had not committed an offence. He had been ejected for his own protection, the ref said! However, this action meant that the team was left to play the remainder of the game with ten players which is not the way to correct a matter like this, the innocent being punished.

The Ontario Cup is a fiasco this year. For reasons only known to O.S.A. our boys are not competing. As a club everything was done in time, in the proper manner to ensure

our entry. However, at O.S.A. level the same did not occur and O.S.A. have chosen not to rectify. The issue is not being left at this point and we will be disclosing our course of action.

We wish to acknowledge our thanks to George Balnes and HFL Iron for providing new sets of corner flag posts for Cedarvale. Would you believe that a set 'disappeared' on opening day? Des Rafferty also has provided flag posts for the girls at GDHS and H.W. fields.

MARINERS 2 - ACTON 2

A slightly fitter than usual, the Mariners took the field and proved they were capable of goals and prevent goals. Yep, we scored all four goals in this match.

Bill Brass netted two, both on intercepted pass backs. David Fear and Brian Clark completely beat John Bursten for Acton's two goals.

The lads lasted the pace much better than previously, boosted by my 'sitting' out the whole of the second half. John B had another good game in goal and has to remember to call for the ball with his name.

We slackened a little in mid field and desperate defense was often the order of the day. Brian Clark, Peter Jones and Steve Robbins had the most scoring attempts because of an over eager Acton team.

Stu Robbins placed some free kicks perfectly for Bill B which caused no end of problems at the other end.

Tomorrow they host San Jose (with George Best) and we have a party going down courtesy of Beatrice Dairy Foods.

BLIZZARD BYELINE

In beating Los Angeles 2-0 in a shoot-out following the 2-2 score in regulation and overtime, the Blizzard took the hard route to victory.

The lads deserved the win with several of their top players still on the injury list. Tony Chursky had several key saves and in the last seconds of regulation and overtime made point blank stops to thwart the visitors.

Ivan Lucajenic, coming on as substitute to return to regular play, and Jomo Sono side-footed home the two shootout goals. Tony Chursky stopped the L.A. tries to give the Blizzard the home win. Their records is now 8-8 and they are second in the division to the New York Cosmos.

Tomorrow they host San Jose (with George Best) and we have a party going down courtesy of Beatrice Dairy Foods.

GYRL BANTAMS AT THOROLD; 2-2

We ended the match in darkness during the torrential rain Thursday with a 2-2 tie. We

Omagh 2-4. Mike Case played a great game at third being responsible for all three outs in one inning. Brian Porter was the big offensive player, hitting a double and a triple.

On Friday night the Limehouse midget girls played a double-header. The first game was against Rockwood in the Acton tournament. They lost 6-1.

In their second game, Limehouse hosted Georgetown in their second match of league play, losing 19-11. Lorraine Brown, Sherry Wilson, and Kim Deamer were heavy at bat hitting 10 of their 11 times up.

On Saturday night the girls fared better in the consolation going up against Acton and coming out on top with a score of 10-8. They were behind 7-1 at the top of the fourth but never gave up. In the fourth three of their five hits brought home Lorraine Brown, Cindy Pettibone and Marina Herrington. With four more runs in the sixth and a super double by Lorraine, scoring Rhonda Case in the seventh and counting as the winning run. Limehouse got the victory.

Turn about in Limehouse ball

This past week saw a lot of turn about play in the Limehouse men's softball league with the Hawks, Oilers and the Rocks coming up with some big wins.

The Huttonville Hawks upset the highly rated Limehouse Hustlers Tuesday night when a three bagger was hit by Peter Blacklock scoring three runs. Most of the damage was done in the six run fourth inning. Pete Dickey reached base safely on four attempts for the Hawks. Jim Fiddler stroked two singles, while Bill Fisher drove in one of the Limehouse runs. Huttonville Hawks nipped the Hustlers 6-5.

In the second game the Indusmin Rockets had an easy win over the Limehouse Rocks getting 19 runs to the Rocks 1.

Brian Moore pitched a strong game and went three for three while Marty Zilo scored the only run for the Rocks. Rob Campbell pitched six innings for the Rockets and gave up only two hits. Dennis Jennings went three for five and brought in five of the runs. John Duffield and Brian Johnston had their share of hits with five and brought home five rbi's between them.

The Oilers had an easy win over the Ballinafad Blue Jays when they failed to field a team and had to forfeit. Both teams did better on Sunday when they both had wins.

Carl Reed and Dennis Harnden held down second and third for the Hustlers and helped to keep the scoring down until the bottom of the seventh when two errors charged on the Hustlers allowed three runs to score. Steve Favro, Joe Scott, Charlie Shea, and Gary Flake counted a run each and Tony Case scored twice.

In the second game the Limehouse Rocks pulled off a victory with a score of 6-5 over the Hawks. The Rocks took an early lead when Gord Thompson and Marty Zilo scored in the first inning and Marty came home again in the third. The Hawks brought in Ted Lyons and Rob Reid and the score was 3-2. Then Wayne Doell of the Rocks scored in

the sixth and Rob Reid, Fred Arsenault and Gary Gillis of the Hawks brought their side up to five runs. The Rocks scored twice more in the eighth with scoring done by George Koeslag and Lawrence Smith and the final was Rocks 6 Hawks 5.

In the final game Dan Engley pitched and hit the Blue Jays to an 11-7 victory over the Indusmin Rockets. Mel Bailey and Terry Anderson also hit for the Jays. Bob Schofield and Wayne French made good plays on defense. Dave Murchison of the Rockets hit a double and Keith Massey and Bruce Pinder each hit a triple in the sixth and both scored to count for 2 of their runs.

Neilsons' girls romp to Kinsmen lead

Neilsons 27 - Foberts 4. Neilsons really put on the power from the beginning. Dawn Russell and Janet Powers, of Neilsons, both managed to belt out one home run each. Pitchers were Heather Wallace, Sheryl Draper and Sandra Marshall.

Michelle Jewit played well enough at second base to earn game star. Lynn Terashita and Debbie Coleman also earned game stars for offensive playing. Honorable mention goes to Janet Powers.

close match were Kim Thompson, Tracy Klavkalns and Cheryl Jackson. Game stars were Karen Coleman, Tracy Klavkalns and Chris Jones. Pitchers were Cindy Halonen and Suzanne Abney.

Magnusons 27 - Varian 9. Pitchers in this match were Val Williams and Leanne Grassy. Angie Dickenson and Debbie Hall both had four for four nights at bat. Stars went out to Diane Tost, Chris Fudge and Rhonda Hall.

Saxe 37 - Standard 21. Kara McGaw and Wendy Crawford topped the night with two home runs each. Other home run hitters were Gail Doucette and JoAnn Tucker. Elaine Hughes also hit a home run, but in this case the bases were loaded to make it a grand slam.
