Sometimes the content of this article is officially approved club news or policy. Sometimes the column is self opinionated. (Those who know me may appreciate the humour!) The column is a method of, and for, both.

I assume it is difficult for some to differentiate. In order to make matters a little clearer, if none other to divide between official and opinion, I intend to put in suitable headings to the subject matter. The content may remain obscure, nevertheless.

**OFFICIAL**

Club policy is to allow each player equal playing time. For the present season our ruling is that the referee will call a ball to the games at a natural break, approximately mid-way through the first half, and midway through the second half. At this point, together with the half time break, substitutions are to take place. This ruling is for recreational (House League) boys games.

The girls, for the present, are remaining with the rule of last year, although we have asked the other participating clubs to review the situation to obtain agreement to come into line with the boys.

Many clubs operate on a similar basis, allowing that equally takes place in each game and that weaker players receive equal game time which is the object of it all.

The rules in competitive (Rep), and senior competition differs again, and often varies from competition to competition. The situation is confusing to all, I admit, and there it remains.

Coaching and practice sessions are a must. Coaches and managers should and must, organize some time for their squads.

I think frisbee throwing, talking, fooling around and generally doing nothing is not constructive. Should any of our readers feel that teams need assistance let the commissioner know, who, in turn will get through to the exec and we shall see what we can do to provide help at your sessions.

Keys to the dressing room and floodlighting panel are held by myself, George Baines (Falcons 877-5373); Erwin Wittich (Meteors 877-7327) Pat Johnson (Rep Director 877-1229), Colin and June Wilde (Registrars 877-2554), Erwin Gross (Equipment Director 877-5363), Courney Warner (Bantam - Junior Commissioner 877-4283) and Bryan Turner (Rep Coach 877-6421).

Keys and corner flag posts must be returned immediately upon the end of the game. Otherwise you will not get them next time you need them.

I am off west for the next couple of weeks and hope to visit former Georgetowners Jim and Jerri Stoddart and Pete and Sally Snelton in Vancouver. Probably take in Blizzard games there.

**GO IT ALONE**  
**OPINION**

It has become necessary to review our club situation with regard to the Ontario Soccer Association (OSA). For over four years there have been many problems and several decisions made by OSA (And OYSA at the time) and district which have gone against us, unjustly and incorrectly I feel.

I have gone along believing, in the end, that matters would improve, that similar happenings would be more justly and correctly meted out.

The Ontario Cup problem has brought matters to a head as far as I am concerned. I strongly feel we should come out of OSA membership and go it alone, at least until that organization improves itself. In this event there would not be any cup, league or tournament soccer at competitive level.

Our ties with Acton, Ballinacra, Bolton, Hillsburgh, Milton and Pineview would be placed in jeopardy at the least. There would not be any inter club, inter district, inter provincial or international contact for us. Should the club, that is you folks, agree then this would be a major decision to take at the general meeting in November.

Be prepared now for your presence, and vote or absence and non-vote could well decide the soccer future in Georgetown for many years to come. I have resigned from all officialdom outside the youth soccer clubs in protest against the official body's decision to exclude our boys from the 1988 Ontario Cup.

**BLIZZARD BYECLINE**

Midfielder George Gibbs stroked home the winning goal against San Jose to end the 17 attempt shoot-out. Before 20,000 excited and highly delighted fans Thursday at the CNE. Jomo Sono's two goals in the last fifteen minutes of the first half brought a tie at the end of regulation play.

San Jose, had earlier scored two goals in a minute to take the lead. Jomo and Gordon Sweetzer had "goals" denied by the ref for offside and elbowing.

The home team had done enough to warrant victory and stout covering by an often packed defence, kept the lads out through the second and overtime periods.

George Best kept the visitors in the hunt with flashes of his old moves, was always dangerous. He had a hand in both goals from the earlier quakes.

The shoot-out was exciting, with Ivan Lucajevic, Rob Prentice, Mike McLennan, Jimmy Bone and finally George Gibbs scoring for the Blizzards. Cliff Calbert plays were moving all over the field attacking and promoting from his left spot.

This was another good win for Blizzards, who are now 9-8 on the season and remain second in the division to the New York Cosmos. Mike McLennan shows steady improvement at right defense and Tony Chursky had his usual last minute save to keep the team in the game for the shoot-out.

The match was attended by Governor General Ed Schreyer and his entourage, together with several teams from overseas who are competing in the boys "Robbie" tournament.

## Revenge reaped upon Mariners

The opposition had their revenge for an early season loss dropping the senior Mariners 5-3 Wednesday.

The opposing Eagles played some excellent soccer against the short handed Mariners and took full advantage of their superiority in numbers.

The Mariners were again on the "own goals" list, which helps the opposition no end. Ed and George Pelluma took the space offered and used it well. The Eagles were always hovering around in space and moved the ball to unmarked players.

The local team played well in patches showing their current inconsistencies to the fullest.

Goals came from Bill Braaz, Balan Nair and Ivan Blvd.

The last ten minutes had the Mariners make more of a game and continually took the play to the Eagles. Colin Wilde and Steve Robbins led the rushes. Colin Munro, Peter

## Female bantams shutout

The torrid heat, lack of bench strength and lack of goal scoring power contributed greatly to the 7-0 loss for the Bantam girls this week. A first minute goal came about easily from failing to clear our lines on an innocuous move on the Burlington right wing. Kathy Webb tried to take the ball inside instead of going out to safety and the opposing forward had an easy run in to score.

In spite of the conditions we came back strongly. Kary Jones made several right wing runs and just failed to score with her crosses. Penny Bydevaate, and Jenny Milne had several runs through the centre and could not get the ball past the goalkeeper.

Just before half time the Burlington goalie handed the ball outside the 18 yard line. The ref, Bill Oates, could not pick up her position and allowed play to continue. Which it did right through to the back of our net to go two down at the half.

The second half ended in a rout, with the visitors piling in the goals on breakaways from, to say the least, suspiciously offside positions. Sometimes three or four attackers were on top of our keeper, Cathy Dobson. However, our girls played well enough and continued to attack until the end.

Lisa Allen, Kim Newcome, Carole Johnston and Kary Jones all played above form. And Vera Vanitem tried hard to plug all the gaps.

Clark, Janet Boscom and Jennifer Costem plus a goal from Kathy Jones resulted in a Lions Club win. Champs Tracey Buchanan, Sarah Broughton & Lynette Balanyk played exceptionally well this week.

In this close game, both teams played very hard. Bev Puckering popped one in, assisted by Julie Hulbert. While teammates Pam McMeeken.

Jones and Brian Clark played well at the back.  
Pointedly missing were Stu Robbins, Fred Simmons, Gary Spiller, David Fear, Lloyd Jones and Bryan Turner which is a considerable loss of strength for one game. This evening the team off to Guelph.

Carolyn Gilles and Nita Milliesse worked outstandingly hard. Although Orange Crush didn't score, they played a terrific game with special efforts from the entire team.

**Tornados 1**  
**Octagos 0**  
Diane Wilson worked hard throughout the game and scored the only goal to give the Tornados a 1-0 victory. Robin Forefellow and Susan Kerby gave strong support. Octagons fought hard and provided exciting competition.
