New pool bylaw meaning precise

The new consolidated bylaw outlining fence requirements for privately owned swimming pools returned to the town's general committee agenda Monday night, about three weeks after it was delayed for a better definition of "swimming pool".

Earlier this month, town council expressed concern that ponds located on agricultural land might be defined as swimming pools and therefore owners would be required to abide by the fencing bylaw. There was also some discussion about whether or not a hedge could be considered a safe and protective fence.

Under the amended bylaw, "pool" means any "privately owned body of water located outdoors...which is contained in part or in whole by artificial means in which the depth of water at any point can exceed .6096 metres (24 inches)", the use of which is limited to swimming, diving and wading by the property owner and his family.

The bylaw exempts ponds "located on lands zoned agricultural or rural".

Fencing, according to the bylaw, must be of "vertically boarded, wood construction, chain link construction or of other materials" which provide "an equivalent degree of safety."

Council will vote on the bylaw July 7.

Eastern Avenue sewers

The town's general committee decided Monday to add a storm sewer along Eastern Avenue to tenders being let for sewer construction in Acton's Lakeview subdivision.

The 450-foot long sewer is needed to redirect waters from the road and Holly Industries into an existing storm sewer on Church Street, instead of onto Beardmore Tannery lands, where they may create problems with the tannery's sanitary sewer system during a summer shutdown.

Town engineer Bob Austin suggested that the Eastern Avenue section be simply added to a contract the town is already seeking and this would save some money. Estimated cost of the project is \$18,000.

Annual flower show a success

Herald Special
The Georgetown Horticultural Society's 14th annual flower show was a great success. Entrance to the cultural and decoration class displays was through a white arch with beautiful floral arrangements at each side. The red ribbon was cut by Rev. Peter Barrow at the Grand Opening. Then, eager exhibitors and spectators viewed the entries. The pleasant overall appearance was just the beginning of a fine show with 210 excellent exhibits, 42 in decorative classes and two children's entries.

Trophy winners were:
Best Red Rose - B. Harley.
Best Rose in Show - L. Emmerson. Best Peony - I. Harding. Best Cut Flower (clematis) - I. Knechtel. Best House Plant (orchid) - C. Caswell. Best Arrangement Division A - T. Percy. Best Arrangement Division B - B. Treble. Best Arrangement in Show - B. Treble. Most points in show - I. Harding.

After viewing the beautiful flowers, many people enjoyed the delicious strawberry shortcake served by the ladies of the Horticultural Society.

The July Lily show will be held July 16, at Knox Presbyterian Church Hall in Georgetown, featuring a variety of classes. Anyone can enter.
