

NO GOAL

This Georgetown Senior Girls' rep goaltender went for this penalty shot to her left, but fortunately it missed the net.

'Plucky' girls team refuses to call it quits until final whistle

By KEN JONES
After making an almost impossible comeback from being six goals down, a plucky Georgetown Senior girls rep soccer team refused to call it quits and finally went down to defeat by a two goal margin to Whitby, Thursday at Peel Park, Whitby.

on the home team miscues, but the visitors were not as lucky with him.

The straw that broke the camel's back was with fifteen minutes to go in regulation time, a goal by Heather Clarke during a goalmouth scrimmage was called back by the referee after he had signalled it a goal. The club linesman informed him that one of the girls was offside and the score at the time was six goals to four.

The game was highlighted by poor and biased officiating by the referee and the home-straw that broke CAMEL'S BACK town linesman, left much to be desired as on many occasions the referee turned a blind eye

to one and showed one significant difference as they constantly changed players, unlike Georgetown who had no reserves.

A pep talk by the Georgetown coach injected some extra strength into the players as they constantly harassed the opposition on the resumption of the second half of play, which resulted in a quick goal by Sheila Rafferty.

ALL GEORGETOWN From then on it was all Georgetown, as the confused opposition constantly gave the ball away resulting in two more goals, by Andrea Stapleton and Heather Clarke

thus making the score six goals to four.

Then came the dispute goal which took everything the visitors had to give. Despite the setback they continued giving their utmost, but the toll of the 90 minutes play without a reserve change, and continued poor officiating had the better of them.

Georgetown met maple Leaf last night (Tuesday) at Bendale. On Sunday August 10, the girls will host Thorold at Cedarvale at 2 p.m. in the quarterfinal of the Ontario Cup.

SPLIT LEVEL HAS SUNKEN FAMILY ROOM

This spacious side split level home design affords the medium-size family all the modern conveniences in an attractive and practical package. The low-profile traditional exterior is tailored to the medium to wide frontage building lot and would harmonize well into any residential area. A surprising amount of usable living space has been planned into this apparently compact design, providing for present needs and leaving space for future development.

The weather-recessed entry leads directly into the large and open rectangular living room, which offers conviviality and excellent natural lighting through the wide, shuttered windows. The living room is open to the large formal dining room, which has sliding glass doors to the rear patio for easy access to outdoor dining in fine weather. The dining room overlooks the lower level family room which is directly beneath the bedroom level.

A well-planned U-shape kitchen provides a step-saving work triangle and easy access to both the dining room and patio.

All three bedrooms are elevated six risers from the main living level and are well away from the main entertaining area of the home for freedom from disturbance. Each has ample closet storage and excellent natural lighting. All have convenient access to the central bath and linen storage area. The central bath features his and hers vanity sinks for easing the morning traffic jams.

The sunken family room has a roughed-in fireplace and a large storage utility area. It also provides for the side-by-side configuration of washer dryer-tub.

A single enclosed garage completes the convenience features of this handsome and practical home.
