Smoke Shop burns the Hogs in 62-8 rout

By TIM TOLTON
Like the late rounds of a title fight, the Georgetown Flag Football League season is winding down and just as in a fight, the surprises are gone. All the competitors have felt each other out and now comes the time when character and determination may decide the issue.

This was a week in which certain questions were answered. How would some teams rebound from defeat and how would others handle life at the top?

Wimpy's 27 - Dave's BPs
In the first confrontation of the current first-runners, Wimpy's continued their domination as they handled Dave's BP with relative ease 27-8. BP sports a good offense, but Wimpy's is a complete club, strong on both offense and defense. With cool precision, the defense shut down the BP while the offense put the game away.

Wimpy's had touchdowns from Bob Lockwood with two, Doug Coulter, and Greg Halonen. John Clark had one two-point conversion and Lockwood kicked a single.

The BP finally scored late in the game when Scott Masong grabbed a TD and Wayne Denamore a two-point convert.

Dairy Queen 27
Foberts 18
The Dairy Queen kept rolling this week with a 27-18 win over Foberts.

The first half was virtually a saw-off as the DQ emerged with a slim two-point lead on TDs by John Halliburton and Dave Paterson, both converted by Jeff Lockwood.

Dave McCarthy and Doug Fraser had majors for Foberts, but both conversions failed.

In the second half, Halliburton had two more for the DQ with Paterson adding one convert.

Fobert's only reply came from Brian Pemberton.

Delrex Tavern 22
Glen Williams 1
The Greeks, who were some-

what humbled in the past two weeks, got back on track this week with a 22-1 victory over the hapless Glen Williams club.

The Greeks poured it on in the first half then apparently fell asleep in the second as they were held scoreless. Scoring for the Greeks were Rick "Bionic" Baldwin, Bill Rivers and John Karolidis with TDs and Jim Baldwin who had two, two-point conversions.

The lone Glen point came on a punt by Andy Tyrrell.

Delrex Smoke Shop 62
Halton Hogs 8
In the days final game a sleeping giant may finally have awakened. A very hungry Smoke Shop club devastated the Halton Hogs 62-8. This hasn't been a vintage year for quarterback Bob Inglis, but he

was throwing smoke Sunday as he showed why he has been the league's best pivot for three years. Scoring on nine of ten possessions, Inglis hit Terry Diardichuck for three, and Jerry Nell, John Viera, and Werner Mikoleit for two touchdowns each. Bruce Cartwright converted eight of nine.

The Smoker defense, on the other hand, allowed the Hogs only three first downs, one of which was a fourth-quarter TD by Sam Waldrum to which Doug Cousins added a two-point convert.

There are no games next week but in two weeks the Smoke Shop meets the Glen at 9, Wimpy's tangle with Foberts at 10, the Greeks play the Hogs at 11:15, and in what should be the best game of the Dairy Queen meet Dave's BP at 12:30.

HE MAKES A BREAK

This Glen Williams player made a determined effort to keep control of the ball Sunday in a flag football match between his team and the Delrex Tavern team, but it was a losing cause. "The Greeks", as the Tavern team is known, defeated the Glen team 22-1. Touchdowns for "The Greeks" were scored by Rick Baldwin, Bill Rivers and John Karolidis.

NEW BABY MAY HELP DAD RECOVER
Grant Summers, general manager of the Georgetown Volcanoes atom soccer team has been hospitalized in Peel Memorial Hospital for a week with a minor kidney ailment, but he's had some good news to speed his recovery.

His wife, Christine, gave birth to a seven-pound, 12-ounce daughter at Georgetown and District Memorial Hospital. The family, including new addition Janice Lynn Summers, is expected back together before the end of the week.

Volcano coach Les Lumsden and his squad heartily congratulate the Summers family and wish them well.

Bronze medal in lawn bowling
Georgetown's Wendy Chaplin won a bronze medal in lawn bowling last weekend at the Ontario Summer Games in Peterborough.

Wendy, who is 18, has been bowling for seven years, and this is her first win in a major competition. She became eligible to participate in the summer games by placing third in a roll-off in Brampton at the end of June for the Central-East division of Ontario.

Wendy bowled doubles with Joanne Sanderson of Agincourt. She lost the first two games, but won the third by a score of 21-9.

The summer games are for 10 to 18-year-olds, so this is the last year in which Wendy was eligible to compete.

The games, which are organized by the provincial government, are run along the same lines as the Olympics, with opening ceremonies and medal presentations. There are 21 different sports in which youths can compete.

DONKEY BASEBALL IS COMING TO TOWN

THE CRAZY GAME THAT SET THE NATION LAUGHING

That stubborn cousin to America's favorite pastime, Donkey Baseball, returns to Georgetown in grand fashion next Wednesday night (Sept. 3) at 7 p.m. when Halton Hills firefighters from Area 2 (Georgetown) take on a "Motley crew" of assembled local politicians in the Glen Williams ballpark. With the mulepower to back them, the smoke-eaters intend, according to an unofficial report, to prove that the area's elected officials don't know their pitchers from an ass on the mound. Come on out to the Glen Wednesday and have some fun.
