

Soccer Talk

By Alex Tough

The Robbie! A vision of literally thousands of soccer players of both sexes and of all ages, shapes and sizes. Of hundreds of parents and Scarborough club officials supporting and working to make the tournament a success.

This tourney is known world wide as the biggest youth competition and it is prestigious to take part, whether winning or losing games. The boys section supports cystic fibrosis and the girls section supports muscular dystrophy and all the proceeds go to these worthwhile causes.

On Saturday the game schedule was interrupted by a thunder and lightning rainstorm for over an hour. A wonderful sight to behold and listening experience to hear was 12 teams of girls and their officials and supporters joining in "The Peanut Song" led by the intrepid Vals of Georgetown, rain dripping from all the faces and in soaking wet clothes. This spirit in spite of being four goals down to Springfield, VA, is what typifies this bantam girls team of ours, and what typifies this whole tournament.

The Vals returned to finish the first match without losing any more goals. Our "nine and a half" players gave their all and might have had better fortune from the Gods in front of goal, for we could have won this one.

Agincourt were our next opponents and came into the game with a four to zip win over Buffalo and were clear favourites to defeat a depleted Georgetown squad. No one told Carole Johnston and her gang, for we proceeded to play the opposition off the park in a three goal rout.

Vera Vanitem opened the scoring with a penalty shot high into the roof of the net. Kary Jones ran through the defence to shoot low past a stranded goalie and Vanitem found the net from one of her half way line specials. In between Cathy Dobson, in goal, and Jenny Milne at centre defence stood fast against all and earned the shut out.

All the girls were as superb in victory as in defeat. We then "raided" Morningside Mall's cool, but so cool, eating spot for a well earned nosh.

FIELD RESEMBLED QUAGMIRE
Sunday started in rain and the field at West Hill was a quagmire when we faced Buffalo in a crucial game. The results of the section meant that we could possibly qualify for the quarter finals with a good win.

VOTED BEST GAME
Penny Bydevaate struck the bar twice, Arlene Gray twice hit the bar, Carole Johnston hit the post, so did Vera Vanitem. Vanitem missed a penalty shot, Kary Jones went close a couple of times - all to no avail - we could not put the ball in the net.

Bydevaate had two tries stopped on the goal line, one of which we were convinced had gone over for the much needed goal. The Robbie officials voted this game the most exciting and best game at West Hill.

All sympathy was with, by now, "six and a half" stouthearted Vals. Jenny, Carole and Vera were hurting badly yet played their hearts out. Pam Kent, Linda Phillips, Kathy Webb, Cathy Dobson, (two deserved shut outs), Jenny Milne, Penny Bydevaate, Vera Vanitem, Kary Jones, Arlene Gray and Carole Johnston were the stars. A little downbeat yet not beaten we retired to Frank Vetere's. We were back on top!

This is what the Robbie is all about. The teaching of togetherness, skills and style all coming together at the same time more than makes up for the trials and tribulations of a long heart breaking season.

BANTAM FALCONS IN SEMIS
At the Vanguard, the Minor Bantam Falcons reached the semi-finals and that is a plus for the lads who are having a good season. The revitalised pee wees stuck it on top placed qualifiers, unbeaten Sudbury, by 6-2. Bryan Turner and Mike Clarke received honor for our refs by both refing semi-finals.

SUPER 800
Watched son Alex turn in a super display for the Senior Falcons on Friday in a 2-3 tie with the Metro police, who are in second place in the T and D league. This was the Falcon team work of last season in evidence at long last, and with only 10 players. They were terrific and deserved better than the tie.

NATIONAL TEAM
Canada's National squad is training out west at the moment preparing for the 1982 World Cup Qualifying rounds. Here in Toronto we can see Canada vs. Mexico in one of the matches. I understand the Falcons are organizing a bus or two. The Blizzard have six of the lads trying out, Tony Chursky, Sam Lennarduzzi, Randy Ragan, Mike McLennan, Gordon Sweetzer and Gordie Wallace. Some have a good chance. The Blizzard are shortly into the NASL indoor league and I hope to take in a few matches and keep in touch.

Youth Soccer's Annual Chicken Barbecue and Dance is on Friday, 19th September at Holy Cross. At \$8.50 per head (No body that's extra!), this is a steal for a great pre House League Cup Final night. The girls finals are at Bolton, and we need a few refs for this day, and the boys are at Cedarvale. Last year's trophies are required now, so get them in, folks. See you.
