

Through rain and ... The seven members of the Flyers soccer team didn't let a little precipitation bother them Saturday on their way to winning the Pioneer Day mixed seven-a-side fun tournament. Here team members gather round the umbrella sheltering the plaque presentation between team captain Gary Gillespie and Bill Smeaton of Standard Products, the tourney sponsor. Left to right, surrounding them, are Greg Lawr, Lisa Allen, Pete Smedema, Martin Warner, Kary Jones and Carolyn DeVries. This is the third year for the tournament.

Good fun and play Standard Products of mixed tourney

The annual Georgetown Pioneer day seven-a-side soccer tournament took place on Saturday at Cedarvale. The format was the same as previous years with mixed teams made up of players from the junior girls and juniors boys house league, two-division.

Eight teams took part in a round robin, with the Flyers and Cosmos contesting the final.

The Flyers emerged the winners with a strong team performance.

The team was well organized and led by captain Alan Gillespie supported by attacking forward play from Kary Jones, Lisa Allen and Pete Smedema. A strong defence was maintained by Greg Lawr, Carolyn De Vries and Martin Warner.

The Cosmos played a good game, although they could not penetrate the Flyers' defence. Captain Paul Kirby played in goal with Terry Mostard, Chris Cunningham, Dan Dun-

cey, Arlene Gray and Vera Van Item with Cathy Dobson and Carole Johnston substituting for the final after injury to Van Item.

The standard of soccer was very high in spite of the rain conditions which varied from heavy to torrential. The tournament was supported with teams from Acton and Milton.

Thanks is extended to Anne McCord and Tony Saron for their assistance in organizing the day.

The games were followed by the trophy presentation carried out by Bill Smeaton of Standard Products. Thanks are extended to the sponsor for making the tournament possible and also to Jean Belshaw and the organizing committee of Randy Robinson, Carole Johnston, Leona Pool and Sean McQuarrie. To complete the day a dance was held at Cedarvale gym with Alex Tough giving a very polished performance as the Unknown D.J.

Junior Falcons in Peel-Halton final

Saturday the Georgetown Junior Falcons defeated Chingacousy 2-1 in the semi-final of the Peel-Halton Cup. Chingacousy drew first blood with a goal in the first half, with the local Juniors playing with the jitters. Georgetown missed several good opportunities throughout being too anxious.

In the second half they settled down and began to play with a little more confidence. Early in the second half Neville Porter scored the equalizer after drawing the Chingacousy goaltender out of the net.

The game continued to be an end to end battle with neither side dominating. With fifteen minutes to go Mark Nelstrop put Georgetown ahead. The Juniors back line continued to hold out the Chingacousy forwards for an excellent win.

The Junior Falcons have only lost one game in the league so far this season. They have averaged a whopping 5-1 goals a game. The final game of the league schedule is against Streetsville, the only team which they lost against, last Monday at 8:30 at Cedarvale.

The games were followed by the trophy presentation carried out by Bill Smeaton of Standard Products. Thanks are extended to the sponsor for making the tournament possible and also to Jean Belshaw and the organizing committee of Randy Robinson, Carole Johnston, Leona Pool and Sean McQuarrie. To complete the day a dance was held at Cedarvale gym with Alex Tough giving a very polished performance as the Unknown D.J.

Cup games on

As the end of the year in rural soccer approaches, a group of evenly matched teams are tied in soccer skills. Cup games are now being played with finals scheduled this weekend in Bolton. Winners will be announced next week. More parents are required at general meetings to make next season even better.

Soccer Talk

By Alex Tough

House league finals are arranged for Cedarvale this Saturday. Times are as follows:

09:00 Bantam-Junior, Referee Brian Turner; 10:45 Atom, Referee Chas Coomber; 12:00 Mosquito, Referee John Devries; 1:30 Squirt, Referee Klaus Schneider; 2:45 Mini, Referee Luc Burtrand; 3:45 Peeewe, Referee Mike Clarke.

Mayor Pete Pomeroy and Rec director Tom Shephard are expected to kick off the 10:45 game.

Pat Johnston has organized some refreshments throughout the day with a stand for the Terry Fox Marathon of Hope fund. Hopefully the weather will be better than last weekend's pioneer day tournament stuff. The Standard Products Ltd. sponsored plaques and trophies were won by the Flyers 4-0 over Cosmos in the final. Acton and Milton provided squads for the first time in our unique, unusual tournament. Bill Smeaton, of Standard Products presented the trophies at the end of the day. It was a fun day as usual and the weather did not dampen any spirits.

The Vals played the ladies last week in exhibition play and this turned out to be an entertaining game with some moments of good soccer. It was always full of endeavour.

Soccer worth getting wet for

Four teams representing the Georgetown Girls Soccer Leagues went to Milton on Saturday to compete in a Malton tournament. The conditions were dreadful with virtually solid rain all day, but the girls kept their spirits high and their play good. And the parents seemed too excited to really mind the rain.

The squirt team played a spirited first game against a very skillful Malton team, with the final score 5-1 in favor of Malton. Their second game was hard fought right up to the last few minutes of the game when the Brampton team scored two quick goals. All of the Georgetown girls team conducted themselves with

vigor and courage and appeared to have enjoyed themselves immensely in spite of the rain.

ATOMS AVERAGED OUT
The Atom 'Red Devils' overcame early tournament jitters to play a good match against a strong Malton side to win 2-0. A pair of 1-0 victories followed, the first as a default by Clarkson Gold and the second by virtue of a solid team effort against Clarkson Amber.

Despite a winning record, the Red Devils failed to advance to the semi-finals because goals for and against averaged out higher for two of the other teams. This was a disappointment, but the girls had played with an abundance of enthusiasm which was matched by that of the many parents who cheered them on.

ANCIENT MARINERS
The Mariners tied Meteors 'B' 1-1, in another entertaining match last week. This evening the Vals play Gueiph at 7 p.m. and the Mariners take on the Junior Falcons afterward.

The Juniors have reached the final of the Peel-Halton cup with opponents, date (27 or 28 Sept.) and time to be confirmed. The Senior Falcons continue their slow and sure climb from the cellar. In an exciting duel last Sunday they defeated the Toros, the league leaders, 3-2. They went on to complete a rare double with the reserve squad taking out West Indies 3-1. Wee Dave Patterson scored a hat trick in game one.

An appeal against suspension by a Hillsburg player was upheld at the recent executive meeting.

We also discussed final arrangements for our "Do" on Friday 19th. Don't forget to remember the annual chicken barbeque and dance on Friday, we need your presence. Also discussed were remaining make up games - they will not be and defaulting teams will lose by default. Team balls are to be returned to the commissioners for winter storage. They are to be issued as practise balls next year. That's it folks, see you at the dance.
