

### Donna's August at camp

Donna Stewart of Hornby was selected by UCO Guelph Area to be one of 20 participants attending the second week of the 14th annual Youth Camp held August 10 to 16 at Geneva Park near Orillia. Organized by United Co-operatives of Ontario (UCO), 59 youths from across Ontario took part in this year's program which emphasized the development of leadership and communication skills.

### Concern over Nov. deer hunt

Milton regional Coun. Bill Johnson, the former provincial NDP candidate, is printing 1,000 "no hunting" signs ready for use by any Halton farmers who are concerned about the province's upcoming deer hunt.

Ontario's ministry of natural resources is arranging the Nov. 3 through 5 hunt at the urging of local crop farmers who consider the roving herds nuisances. Regional council agreed last year that the problem is serious enough to warrant a temporary open season, the first in Halton in 13 years.

Arguing that Halton should no longer be considered a hunting ground, Coun. Johnson said he is wary of the permit system by which hunters will be licensed to take part in the three-day hunt. Even though the ministry is confident that 75 per cent of the permits will go to local residents and landowners, he said, there is no effective way to regulate the hunt.

The estimated 930 hunters who will take part in the deer hunt are still required to obtain the individual permission of landowners whose properties are affected.

### Norval W.I. on bus trip

Herald Special  
Norval Women's Institute members and friends, started the fall season with an enjoyable bus trip last Thursday (Sept. 11), accompanied by 10 members of the Limehouse W.I.

Leaving Norval Community Centre shortly after 9 a.m., we travelled by bus to the Lee Homestead at Stoney Creek, where the first meeting of the Women's Institute was held. After a guided tour of the old home, with its antique furnishings, and the old barn with its primitive tools, we were taken to the Plainsman for a lovely smorgasbord.

The afternoon was taken up with a conducted commentary of Dundurn Castle, later of the Rock Gardens at Hamilton. Many thanks to president Jean May and the Historical Committee, Gladys Chester and Dorothy McLean, for a great day.

Rally Day last Sunday at Norval United Church got the Sunday School rolling for another year. The Theme: OUR Partners in the Gospel giving recognition to our partners of the past, present and for the coming year. Rev. Bidley took the service and his assistant Keith Lewis told the children's story. He was assisted by Bill Laidlaw and Marion Laird. The Junior and Teen Choir sang several selections.

Get well wishes to Mrs. Mae Shaw, who is convalescing at home after her stay in Peel Memorial Hospital. Also to Jim Eccles, who is a patient in Toronto General Hospital. Keep smiling, Jim.
