## Cup Final weekend a success

Once again we came to Cup Final weekend and what an exciting Saturday and Sunday was had by all. The boys at Cedarvale and the girls at Bolton, I went up to Bolton on Sunday to ref and present trophies. Regrettably the organizers had omitted to tell me where the field was and I could not find it nor anyone around who could tell me. The town was full of folks at the central fair ground and not one soccer player was there to be seen! I had a grand tour nevertheless whilst driving around. A report on the girls is elsewhere in Sports Week submitted by Carole Hulbert and Jean Belshaw.

Saturday was quite hectic and the soccer was very well supported by fans, well played and well coached and refereed. Each game had something different to offer the fans, and there were plenty of them.

The day started early, and after the dance it was not easy to arise without a sore head and be cheerful. I met David Fear and we proceeded to line the field and just in time for the first game. Pat Johnston, her family and merry band of ladies arrived to set up the Terry Fox snack stand and we were ready.

The Acton and Metro Open age players were limbering up, ref Bryan Turner blew the whistle and the game was on. The play flowed back and forth and gradually the Acton lads took command in midfield. The play began to centre in the Metro half. They held out. Then the Metros broke clear a few times and scored on one, only to have the goal disallowed. Acton continued to attack, scored twice late on and ran on to win the Cup to add to the League championship already won.

MAYOR PETE KICKSOFF

This game was followed by the Atoms and was kicked off by Mayor Pete Pomeroy in fine fashion. The Cosmos took the field as underdogs against the Raiders. What a turn up for the book - Cosmos won 2-1 in an excellent match. Refled by Chas Coomber, the boys displayed superb skills and positional play. The Raiders were the League winners after a super season. The Mosquito spoils were divided between four teams. The Rebels and Hurricanes were the League first and second place teams over the whole season. The Hurricanes took the

cup in a fine game by 2-0 over the Warriors who could not find the net no matter how hard they tried. The game was ably handled by John DeVries.

Mini Soccer came next on a shortened field and proved to have enthusiastic competitors indeed. The Flames won over the Sharks with a first minute goal. Luc Bertrand refled this one. Dave Manning deserves a lot of the credit for producing players of this calibre.

Then we arrived with the Spirit Blazers and Blackhawks in another superb match. The large field did not deter the youngsters from a determined display. Indeed the Blazers had to play one short throughout. The Blackhawks ran out 4-1 victors in the end. Cosmos took the league championship and they only missed the cup final by a fraction of a point.

We closed the day with the Peeewe Cup going to the Hustlers by 3-2 over the Meteors. This was a hard fought game between two evenly matched sides who kept the crowd on their toes until the final whistle. The Hustlers also were league champions for the season with Lynx as runners up. Mike Clarke called the final match to a half-round spn.

Soccer is not yet entirely finished as we have some representation at the Orangeville select type tournament next weekend (this Saturday and Sunday). Good luck to all and it is to be hoped that all travellers enjoy the days. Also next Saturday the Junior Falcons travel to South Common, Erin Mills to dispute the Peel Halton Cup final with first division champs - Brampton at 12.00. The lads are attempting to fill a bus, please contact Pat and Stu Robbins to book your seat.

ANNUAL GENERAL MEETING

There are still a few "rep" and senior games to be played before we completely close down the playing fields with perhaps a few exhibitions as well. Then we are off to organize for next season. Next week I shall finish off with the final article of this season. Please keep in mind the AGM in November. This year the meeting will be very important and your input will be necessary if you wish or do not wish to go along with proposed changes. See you next week, folks.

# 'All-round great effort'

In an exciting series the Limehouse squirt boys squared off with the Acton Optimists for the championship. The first game left little doubt why these two teams made it to the playoffs. It was just a great all round effort by both teams. When it was over Acton had taken the win 5-4.

Alan Scott's pitching dominated the second game as he gave up only two hits. He made contact with the ball for a three run homer and Chris Burrell, also swinging the timber, sent the ball into the field for the second Limehouse home run. When the dust had cleared Limehouse had won 4-0.

In the third and deciding game, it was the Acton pitcher's turn to shine. David Haynes pitched a two hitter to enable his team to take home the cup with a score of 4-0. The spectators would like to thank the players of both teams for a super series. See you next season.

# Support group adds to game

A group of interested and dedicated hockey-wise people known as the Minor Hockey Support Group are doing their best to make sure that every boy and girl enrolled in the Georgetown shinny program will be able to take advantage of all that is available to them, and then some.

For example, the GMHSG just finished a pre-season conditioning camp. The two weeks of skating and instruction, with 288 filling most of the four-a-night classes, was coordinated by Ian Ward and Bill Marcolini. Head coach Bob Webster conducted the on-ice program assisted by Rick Lorito, Chris Milne, Junior Tibbitts, Fred Harrison, Steve and Danny Curtis, Mark Webster, Jeff Sargeant, Bruce Rieger, Greg Bodnar, Paul Burton, Jack Barnes, Paul and Bob Morrow, Charlie Hanman, Brian James, Doug Pemberton, Harold Gilmer, Paul and Howard McCarthy, Graham and Mike Tyler, Doug Ward, Dempsey Snow and Rivy Kennedy.

Rep tri-county try-outs began Sept. 6 and will conclude this Saturday. The first of the 30 game schedule will commence the first week of October. Centres involved are Brampton, Burlington, Ancaster, Orangeville, Chinguacousy, Dundas, Oakville, Milton, Streetsville and Flamboro.

All players must register with the Georgetown and District Minor Hockey Association. When a player signs his OMHA card with a rep team, he will be required to pay \$50 on Oct. 1 and another \$50 on Dec. 1 (to be paid with a post dated cheque on the first date). The fee will provide for a minimum of 20 hours practice time, tri-county and OMHA registration fees, ice time for 15 home games, all league and provincial playoffs, referees, tournament fees (maximum of two), player insurance, team pictures, a regular season pass for two adult family members and the year-end banquet.

At least 10 GMHSG members are hoping to attend the annual OMHA meeting on Saturday at the Royal York in Toronto.

fly ball to the right field fence to score his two base runners. Steve Hulme hit a single to bring Frank home and count as the winning run. Butch Jennings pitched the

whole nine innings for the Rockets including nine strike-outs. With Gord Pinder backing him up at short, the Rockets took the game 5-3, in a super all round match.
