BAKE SALE RAISES \$115 FOR CANCER SOCIETY

Yet another donation to Terry Fox's Marathon of Hope from Georgetown. These students in Laurie Mieczanec's grade 3 and 4 class raised \$115 from an Ecole Sacre Coeur bake sale two weeks ago. Cynthia Green (far left) accepted the cheque on behalf of the Halton Hills branch of the Cancer Society. (Herald photo)

Cancer society acknowledges efforts

Pictures and articles showed admiration

To the editor of The Herald: I wish to express my thanks to you and your staff at The Herald for the super coverage of Terry Fox's "Marathon of Hope". I was so pleased to see the pictures and articles that you had put together for the people of Halton Hills, when I arrived home from holidays. It

really showed that you had great admiration for this great guy, and that you were really to wholly support his cause, and we of the Cancer Society appreciate it more than we can say. Your explanation of his arrival times being so changeable was well done, and thank you so much for your treat-

ment of this matter. Special thanks too for your editorial Paul, on Terry's Hun the week before his arrival. What more can I say? The Herald is doing a great job! Thanking you all, and best wishes for your continued success. Yours truly, Dee Rutwell

Enthusiasm by residents evident in response

To the editor of The Herald: On behalf of Terry Fox and the Halton Hills Unit of the Canadian Cancer Society, I would like to thank you and your staff for your generous financial support of the "Marathon of Hope". The initiative you showed in advertising the event hel-

ped the enthusiasm evident shown by the residents of Halton Hills. The response from the people of Halton Hills was most gratifying and was due to a large degree, I'm sure to your enthusiastic endorsement of Terry - our volunteer for excellence - and of the Socie-

ty's work in the field of Cancer control. I'm sure that all of our dedicated volunteers much appreciated your support. Thanks again, Claudette Smith Campaign Chairman Canadian Cancer Society Halton Hills Unit

Fox reception coverage is truly appreciated

To the editor of The Herald: On behalf of the Acton Branch of the Canadian Cancer Society, I would like to

express our thanks for the excellent coverage you gave us during the recent reception for Terry Fox. Please pass our thanks on

to all those that helped with this project. Yours truly, Yvonne Courlaie Publicity Chairman

Car, garage up in flames

Much to his obvious chagrin, Acton's Bob Lyons made headlines in area daily newspapers last week when his \$9,000 1979 car and the garage he'd expected to house it through the winter both went up in flames last Tuesday. Mr. Lyons left the car running after changing its fuel filter but found flames belching from the car's underside when he returned moments later. The car exploded seconds later as Mr. Lyons was running for help; he was uninjured, but the car and \$20,000 garage - both covered by insurance - were destroyed.

We're number 12 in Canada for pledges!

To the editor of The Herald: Thanks to the residents of Halton Hills, the "Terry Fox Day" at McDonald's Restaurant in Georgetown was outstanding. In all, \$14,262 was donated to the Halton Hills unit of the Canadian Cancer Society. Every man, woman or child who either ran, jogged or walked or made a cash donation is to be congratulated. Total dollars raised through all of the McDonald's in Canada was \$1,513,695. There are 350 McDonald's Restaurants in Canada and we are delighted to announce that for dollars raised, Georgetown was in 12th place. A fantastic effort for the size of our community. Once again Halton Hills is the small town with the big heart.

MP thanks Tung-Sol

EDITOR'S NOTE: Following is a second letter to Thomas Bell, president of Wagner Electrical Corporation, which controls Tung-Sol International, the recently-struck Brampton plant. Mr. McDermaid offers further thoughts on his letter which appeared in last week's Herald.

Dear Mr. Bell, Further to my letter of September 8, 1980, regarding the Tung-Sol operation in Brampton, Ontario, I wish to thank you and your company for settling the strike with a more generous offer to the employees affected by the closing of the plant. It is very good to know that the affected employees will be more adequately taken care of after October 1, 1980. Again, thank you for reassessing the situation. Sincerely, John McDermaid, M.P. Brampton-Georgetown

Restaurants not only ones moving-reader

To the editor of The Herald: At the risk of becoming just another "drag" I would like to voice my very strong opposition to town council acquiring any land with a view to changing its appearance or use. Council seems to have far more than it can efficiently handle now, by all recent indications. As for directing new investors to the downtown core - someone very close to us only recently left Main Street for new and roomier premises on that same Highway 7. Surely a restaurant is more in need of a conspicuous location than, say, a newspaper office? Obtaining capital for the extensive renovation required in the downtown area would be more difficult than financing a new building. We do have a free enterprise system, and while no one would call it the best of all possible worlds, it is the best we have.

Joan Douglas, 17 Weber Dr., Georgetown
