MY MONEY'S GOOD ANY PLACE!

So true! You have so many choices when it comes to places to shop and you, the customer, can make any choice you wish. You're the boss! If you've had a bad experience in a large store where the service is poor (or even non-existent) you can take your hard-earned money and find the same merchandise and services elsewhere.

Local business firms recognize the fact that you have a choice, and they're willing to work harder to get you to shop in their stores and then hold your patronage. Try them. You'll save money, your own personal energy, gasoline and learn again just how satisfying local shopping can be.

No need to roam... the best shopping's here at home!
