McNally atoms have win, loss and tie

Alain Thibault and John Lorito's goals Saturday weren't enough as Streetsville downed the Georgetown McNally Construction Firefighter major atoms 4-2. The loss now gives the team one win, a loss and a tie in their first three outings of the year, in tri-county league action.

Georgetown was outskated and outplayed in the game and were also outshot 21-10. Two days before, Thibault

and Lorito combined with goals from Pat McCarthy and Mark Shepherd to easily defeat Oakville 4-1. The locals outplayed their opponents and should have beat them by more had it not been for two outstanding Oakville netminders. The two of them faced 21 shots while their teammates only tried six shots on the Georgetown net.

Shepherd had the assist on Lorito's goal.

Al Pilutti minor atoms win three games

The Al Pilutti Minor Atom Reps travelled to Streetsville for their season opener recently.

It was a very close hard-fought game and at the end of the second period, Georgetown was holding a 5-3 lead. Four goals, in less than a four-minute span in the third, salted the game away 9-4.

Chris Stottart had a hat trick while Brent Presswood and Andrew Hoddinott potted two each. The scoring was rounded off by Travis Gardiner and Adam Bennett with singles. Georgetown 4, Burlington 2

The home opener against Burlington, on October 7, provided exciting hockey from start to finish. From the opening face-off, Georgetown put on tremendous pressure but an unexpected breakaway left the local reps down 1-0. However, goals by Travis Gardiner, Alan Giray, and Doug Kent put the home team ahead 3-1 by the end of the first period.

Shortly into the third, Burlington scored a short-handed goal, but a few seconds later, Adam Bennett replied for Georgetown on the power play, to produce the final score of 4-2.

Milton downed 6-3 Saturday, the atoms squared off against Milton, in Milton. A

scoreless first period featured many missed chances by both teams. The second period ended 2-1 for Georgetown on a goal by Doug McDermot with only one second left on the clock.

Georgetown came on very strong in the third period with a four goal outburst in less than five minutes, to clinch the game 6-3.

A strong game was played by Jason Knight (2 goals, 2 assists) and Travis Gardiner (2 goals, 1 assist). The other single was a short-handed effort by Alan Giray, who also had an assist. John Brooker, Adam Bennett, and Andrew Hoddinott registered one assist each.

Major pee wees lose to Oakville

A third period goal, to tie the game at 2-2, prevented the Georgetown major pee wees from evening up their early season record in tri-county play this week.

Goals by Neal White, assisted by Mike Hurley and Gord Patterson, and John Hamner from Brian Doherty had the local team ahead in their first home game of the year Thursday, before Oakville replied to create the tie.

Two days before, in Dundas, the locals started their season

with a 5-4 loss. Danny Keny got the first goal of the game, for Georgetown, assisted by Pat Brand and Mike Teetzl in the opening 20 minutes. Hurley made it 2-0 later in that period with the help of Mark Pries and White.

Sports novices beat Flamboro

The North Halton Sports novices opened their tri-county season on Sunday, with an impressive 7-2 victory over Flamboro.

Wesley McCauley led the scoring with a pair of goals, while singles were scored by: Joel Burton, Mark Lorito, R.J. Flemming, Michael Barnes and Rod Pasma. Assists

were earned by: Sean Gardner, Mark Lorito, David Hodgson, and Michael Barnes. Shannon Finn and Chris Cambouris split the goal-tending duties, each stopping several tough drives while giving up one goal each.

The coaching staff felt that all plays turned in a good hustling game.

McCauley's eye looking better now after surgery

John McCauley the inactive Georgetown National Hockey League referee says that he can see a brighter future for himself. An almost two-year-old eye injury has been corrected substantially with surgery in New York City. However, there is still a second part of the operation to take place, probably in a few weeks' time.

Dr. Paul Knapp, the New York specialist who performed the operation two weeks ago, says he is pleased with the progression of McCauley's left eye. He will wait until the muscles heal a little more before undertaking the rest of the corrective procedure.

This was a last resort for McCauley. He has suffered double vision since he was struck by an irate fan in New

York, ironically enough, in February 1979. It was after an NHL-Soviet Challenge Cup game, in a bar. He has been unable to work the ice since. He has been confined to working as a supervisor of officials for league.
