The Optimist Club of Georgetown's Third Annual Cross Country Run went on as scheduled Saturday, despite some miserable weather.

The hill which racers had to climb was extremely slippery, forcing many runners to use their hands, as well as their feet. Some grabbed nearby trees for support.

There were 324 runners attending the meet, representing 15 of the 21 schools invited.

Congratulations go to all the runners who competed and braved the nasty weather. Special thanks go to all the coaches and parents who supported the meet.

The overall junior trophy is shared by Howard Wrigglesworth and George Kennedy Schools. Second place went to Park School, followed by Centennial in third and Harrison, fourth.

Stewarttown easily captured

the senior trophy for its second year in a row. The school was predominant, winning five of the six team titles, and individual wins in all six of the races it competed in.

The team's potential was most apparent in the Intermediate Boys division, as the first four runners to finish were all from Stewarttown.

Centennial School earned second place overall in the senior division. They were second to Stewarttown in five of those six divisions and were first to Stewarttown's third in the Junior Boys' race.

Third place overall in the senior division went to Sherratt School.
