Appliance Prices Scheduled to increase on Nov. 24th, 1980

Do you ever think about all that money you spend? Is it gone forever? Does it ever come back to you?

When you shop locally, you're not just spending money, you're investing it. Part of every dollar you spend locally is returned to your community in the form of merchants' taxes, contributions to local charities and employee salaries.

Local business firms help pay the taxes that support schools and other vital community services. Their charitable contributions support your house of worship, youth activities and more. When you support local businesses by shopping locally... you're also supporting your own community.

No need to roam... the best shopping's here at home!
