Minor atoms win over **Urangeville**

By JOHN FELCE Herald Special

The clash between first place Al Pilutti Minor Atoms and the second place Orangeville team provided exciting hockey for the fans at Memorial Arena.

The fast skating Orangeville squad was tough opposition for the locals but they were edged 2-1 in a game that was unique in many ways.

All the scoring took place in the opening period. Georgetown's Kevin Roe was set up by Chris McCarthy and Brent Presswood for the first goal. Illness to regular Alan Giray allowed coach Keith Bennett to put goalie Curtis Green on the wing to maintain three forward lines

On his first shift ever in this new position, Curtis passed over to linemate Andrew Hoddmott who connected for what turned out to be the game

Orangeville replied with their only goal at the 16 second mark. With only two seconds. left on the clock and the face-off deep in Orangeville ferritory, coach Keith Bennett pulled goalie Sean Cotton in favor of an extra attacker. It pard off with a "goal" by Chris Stoddart but unfortunately if was disallowed because the clock had run out.

The last two periods featured some fine end-to-end rushes, sharp passing, and solid defense from both teams. Georgetown goalie Sean Cotton turned in a strong performance and made several key saves to preserve the win

Thank you for the very generous support during my first term as your Mayor.
