IRISH SODA BREAD

3 cups white flour
2 cups whole wheat flour
1 cup bran
1 oz. butter
2 tsp. baking soda
1/2 tsp. salt
1 dessert spoon sugar
1 litre buttermilk (or sour milk)

Put flour and bran in a large mixing bowl. Add butter and rub into flour until it resembles bread crumbs. Add all other dry ingredients. Make a well in the centre of the flour, and gradually add the buttermilk. Use a knife for mixing. Turn dough onto a floured board and knead for a few minutes. Mold into an oval shape and mark top with a T-cross. Bake in a hot oven at 450 degrees F. for 45 minutes. When you take bread out of the oven wrap in a damp kitchen cloth. This prevents the crust from hardening.
