

Party goes 'round the world at Cochrane

Cochrane Travel celebrated its third anniversary recently in conjunction with the celebration of the 140th anniversary of the Cunard Shipping Line.

Cochrane Travel, which is owned and operated by Ed and Jean Cochrane, opened in October, 1977.

"The first year, like all new businesses, it was tough and hard, but now we're more than holding our own," Mrs. Cochrane said. "We're now looking forward to more successful years to come, thanks to the public."

The agency celebrated its anniversary with a wine and cheese party which welcomed guests from the various airlines, wholesale travel representatives, representatives from the various tourist boards and members of the public.

The theme of the party was "Around the World in 80 days in 1981", in celebration of Cunard's world cruise on the Queen Elizabeth II. The cruise will visit six of the seven continents in 80 days, leaving from New York and travelling through the Caribbean, through the

Panama Canal, across the Pacific, along the coast to Manila, Singapore and Hong Kong.

The ship then proceeds through the Indian Ocean, with stops at Sri Lanka, the Seychelles and Africa. Then it's on through the Suez Canal to Egypt, Israel and Greece, and on to Sicily and Tangier before heading for England and then back to New York. Cunard Shipping also operates the Cunard Princess and the Cunard Countess on seven and 14-day cruises in the Caribbean.

Cochrane Travel agency in the Moore Park Plaza recently celebrated its third anniversary with a wine and cheese party for business associates, clients, family and friends. The anniversary also happened to coincide with the 140th anniversary of the

Cunard Shipping Lines. Staff members Mark Taylor, John Lee, Mimi Zeissig and Frances Fryters joined agency owners Ed and Jean Cochrane in a toast to the continued success of the agency. (Herald photo)

Halton Hills

ELKS NEWS

By Brother Jim Barrett
Herald Special
Last week, Brother Gordon Brewer, Grand Exalted Ruler of Canada, visited B.P.O. Elks Lodge 540 (Halton Hills).

During our regular meeting Bro. Brewer reminded the large attendance of the principles of the B.P.O. Elks stand for: unity, justice and equality, and how they affect each and every one of us at present and during the trying times ahead.

We were reminded also of our fraternal symbol, the Royal Elk, and how the Elk's onlers spreading out in all directions show the broadness and vastness of our charity work through the Purple Cross Fund and Deaf Detection Program.

Bro. Brewer mentioned that each Grand Exalted Ruler when elected picks a theme for his term of office, his being "Fraternity, the Basis of Elkindom."

In his closing remarks the Grand Exalted Ruler brought to our attention the fact that the Benevolent and Protective Order of Elks of Canada is an old and respected Order, whose charter was granted by Royal Decree in May, 1913, by King George.

Bro. Brewer said he enjoyed his visit to B.P.O. Elks Lodge 540 and was looking forward to visiting again in the very near future.

We would like to pass on speedy and fast recovery wishes to Bro. Glen Moggy's Mother-in-law, Grace Pattison, who is a patient in Sault Ste. Marie Hospital.

Also, Get-Well wishes to Brother James Martin, who is a patient in Queenway General Hospital.

Last Saturday, the Order of the Royal Purple in conjunction with the Halton Hills Elkettes had a successful Christmas Bazaar and the ladies wish to thank everyone who attended.

A reminder that the Halton Hills Elkettes are going around Georgetown and area selling chocolate bars and cakes etc. Support them by buying this Saturday, when the Elkettes will be in the Georgetown Santa Parade wearing the colors of our lodge.

The B.P.O. Elks Lodge 540 and the Order of the Royal Purple, Lodge 356, will be having a float in the parade. Anyone wanting to help, please contact Bro. Bob Gummerson.

HOME OF THE WEEK

STATELY FIVE BEDROOM BRICK MANOR HOME

This impressive brick one-and-one-half storey home design is virtually a mansion, ideally suited to the medium-to-wide frontage residential building lot. The plan provides for a spacious 3,000 square feet of finished floor area, and a full basement for the development of recreational and leisure facilities at a later date. The larger family will be charmed and delighted by the impression of vast space and the many interior luxury appointments which are certain to please the most discriminating of homeowners. The imposing exterior provides a hint of the vastness which this home contains. Traditional shingling covers the roof and complements the brick veneer cladding, and the small-paned lower level windows are accented by shutters. The upper level dormer windows provide interesting alcoves for the upper level bedrooms which appeal to the decorator instinct in potential owners of this fine home.

The main entry opens into a spacious reception foyer which is dominated by the semi-circular staircase to the second level. From the foyer, traffic moves naturally to the right and down into the sunken formal living room. The living room features a raised-hearth masonry fireplace and double, front-facing windows for view and excellent natural light. The formal dining room is elevated two risers from the living room, and separates from the kitchen via convenient pocket door.

The well-planned kitchen-dinette is positioned mid-way between the dining room and the large family room-T.V. lounge, thus providing excellent separation of formal dining when entertaining and more casual family meals. The kitchen offers an excellent work triangle configuration, a grill-top work island, generous countertop work surfaces and abundant cupboard storage facilities. The family room-T.V. lounge features a second installation of built-in banquette-style nook furnishings. The family room and kitchen may be completely isolated via pocket doors for privacy and hygiene.

Adjacent to the family room, and also accessible from the double enclosed garage, is a large laundry-gillity area and a two-piece vanity bathroom, and a den-library which could be decorated as a work room or mud room for the family which prefers practicality to luxury.

All five bedrooms are positioned on the second level. Each has generous closet storage and excellent exposure for view and natural light. The very luxurious master bedroom suite has an L-configuration, twin dormer alcoves and a third masonry fireplace for true luxury and convenience. The master bedroom has two bathrooms! The first bath is a three-piece vanity unit, with a bidet, while the second bathroom is a three-piece with tub. The master bathroom has twin vanity sinks for easing of morning traffic jams. The fifth bedroom, positioned over the garage, could be re-decorated as an office, studio or as a children's playroom. In any use it would have interesting sloping ceilings.

Plans for design No. 78-2969 may be purchased either by the single set, at a cost of \$95.00 for the first set and \$20.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$145.00 and an eight-set package, also including the first set, is only \$175.00. Whichever method you choose, please include \$5.00 for postage and handling. Ontario residents add 7 per cent sales tax.

Send for the current edition of Select Home Designs magazine, series 48, featuring imaginative decorating and home improvement ideas, plus 250 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75 cents postage and handling).

To order any of these items please send cheque or money order, payable to Home of the Week. Address to: Home of the Week, c/o Halton Hills Herald, Suite 201, 881 A Jane Street, Toronto, Ontario, M6N 4C4.
