Secret of 'Aloe Vera'

By Mrs. JOHN BELLBODDY
Herald Correspondent
The Agriculture and Canadian Industries meeting of the Women's Institute was held Nov. 18 at the home of Mrs. H. Shore with 30 members and four visitors present.

President Mrs. G. Trevirannus opened meeting with the ode and collect. Minutes of last meeting were read and Roll Call answered with "Name an edible weed and tell how to prepare it," some mentioned dandelions, fiddleheads and one or two others; a letter was read telling of the meeting at the Manor this Saturday to discuss the future of farming.

Mrs. Trevirannus gave a full account of the first day of Guelph Area Convention in Regal Hall. Mrs. McNabb reported on the night banquet, also the second day's activities; Mrs. R. Alexander told of the successful District Day at Ligny Nov. 4.

The program was in charge of Mrs. Francis Thompson, who called on a visitor, Mrs. Cromar from town, who delighted all with her humorous recitations.

Then the guest speaker, Fred Lunn, from south of Norval, who spoke on a certain plant called Aloe Vera. It resembles a Cactus in appearance but is actually a succulent, and has been grown for its medicinal purposes. The leaves are sword or lance-shaped and the plant produces a juice or gel that is useful for its healing and medicinal ways. It's wonderful for scalds and burns, cuts and bruises, bites and skin blemish, acne and itchy scalp, no kitchen window should be without two Aloe Vera plants, he concluded, one to look at and one to use.

Another visitor, Mrs. Bert Benton of Limehouse, played six beautiful music selections on her accordion, after which the motto was given by Mrs. Milton Bird assisted by Mrs. J.H. Hunter on "Good things grow in Ontario", which stressed we should push our own products.

Mrs. Ford Wickson gave the courtesies. After singing O Canada and the W.I. grace, meeting closed with a social hour.

Mrs. Gordon Wingfield and Mrs. George Bird attended the two-day 4-H Leader's Conference in Toronto last week. Mr. and Mrs. James Stark

enjoyed a motor trip for ten days to Brandon, Manitoba; they travelled 4,500 miles and report seeing wonderful scenery but weather was cool and snowy.

CLERGY COMMENT

The Gift of Thought

By Rev. J. De Jong, Pastor
Christian Reformed Church
"Search me, O God, and know my heart! Try me and know my thoughts! And see if there be any wicked way in me." Psalm 139:23,24.

People are sometimes compared to animals. Often the comparisons stretch the truth. Someone is said to be "as strong as an elephant", but he is not. Or to the able "to run like a deer". But she can't. Or to "swim like a fish", or "see like a hawk". Nobody can swim or see like that. Many animals are bigger, stronger, and faster than we are.

We can think. We can be not only as sly as a fox, but slyer. We can be not only as wise as an owl, but wiser. We can think better than animals can. Thinking helps us plan towns, write books, climb mountains, explore space - and take care of animals. Thinking enables us to respond to God intelligently.

The Scriptures encourage us to ponder "whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, excellent or worthy of praise."

Such is the gift of thought, a gift of God. We can set that gift too low. We let ourselves think thoughts that as the greatest saints have admitted "would make hell blush". In thought as well as the need, we can take the high way. Thought leads to word and deed - either the good word and the kind deed or to the harsh word and the shameful deed. Why not take it to the Lord in prayer?

The Catholic Women's League held their monthly meeting Monday evening. A letter from Halton Pro-Life was read at the meeting regarding upcoming Pro-Life activities for the month of November. Thank-you cards were also received.

After the conclusion of the business part of the meeting, Sister Julie Latner of St. Martin's Manor in Hamilton, a home for unwed mothers, was
