**Basketball teams ready for season**

By HAROLD BRANSCHE  
Herald Special  
Both the GDIS midget and junior boys basketball teams played several exhibition games in the last two weeks to start off their 1980-81 season.  
Last Monday both teams hosted Acton for exhibition games. The teams lost both their games with the junior boys being defeated by a score of 53 to 45 and the midget team losing 41-32.  
Both teams hosted E.C. Drury last Thursday. The midget and junior teams were successful as they won their games 43-33 and 41-32, respectively.

The midget boys now have a three win and one loss record and the junior boys have a record of two wins and two losses.  
**ENTHUSIASTIC PLAYERS**  
This year's midget boys team is the first midget boys basketball team in nearly five years. The enthusiasm from the younger players coming up from the feeder schools, Stewarttown and Centennial, is the main reason for the extra midget team.  
The manager Mr. Paul and coach, a member of the senior boys team, Mike Sherrard, will be directing this year's midgets.

**Herald's hockey team of the week**

The Herald's hockey team of the week is Tri-County's Minor Midget Labelmasters who have won consistently for the past three weeks and are now gaining momentum for the playoffs. Team members, from left to right: (back row) Coach Gary Robertson, Brian McQueen, Mark Snow, Rick Greenwood, Mike Stewart, Paul Burroughs, Mike Stone, Jay Barwell, Sean Glassford, Mgr. Howard Murphy, Asst. coach Grant Bodnar, (front row) Kevin Gillespie, Greg Robertson, Glen Baker, Howie Bram, Derek Murphy, Jeff Sargent, Blake Harrison, George Osborne.

**Tri-county labelmasters 'on the move'**

The Minor Midget Tri-County Labelmasters have now gone four games undefeated in hockey action with their latest win this past Friday against Oakville. The new head coach of the team (from three weeks ago), Gary Robertson says the team, "is on the move", and the club should peak at the right time for the playoffs.

Although the team is currently in sixth place in their division, Robertson says the team is an excellent hockey club and the team is starting to regain their confidence. The coach says it is just a matter of motivating the players. He says the team has a lot of scoring power and he is emphasizing the play up the middle of the ice rather than along the boards.

**Volleyball ladies win consolation championship**

Two of the four House League teams in the Georgetown Ladies Volleyball Association ventured into their first invitational tournament this week and brought back the consolation championship. The Georgetown Court Jesters and the Diggers entered a 12-team round robin invitational at Centennial Senior Public School in Brampton, on Wednesday evening.  
The Jesters were edged out by a score of 15-13 in the first round by an Etobicoke team. The Jesters then went on to defeat the host Brampton team 15-10. Ironically, the two Georgetown teams had to fight each other for a berth into the consolation final. The Jesters took the Diggers 15-10. The final game saw the Jesters leading Hextdale throughout, to win the consolation championship by a 15-11 margin. The overall tournament winners were the Holleycrest from Etobicoke.  
In regular House League action, the Court Jesters have a firm hold on first place, with the Howdies in second spot, closely contested by the Diggers, and fourth place held by the Spikers. The Georgetown Ladies Volleyball House League teams compete every Wednesday evening at Park Public School.  
The League also sends two representative teams into a regular, competitive volleyball league, involving 16 teams from the Halton-York-Peel area. Presently, the rep teams are in search of a coach. Anyone interested in coaching ladies' volleyball should contact Pat Bochner at 877-8912.

**Midgets split games**

Georgetown Sunny Acre Farms Midgets split a pair of games this past week winning in Brampton 6-3 and losing at home to Ancaster 3-2. In Brampton Mark Palmer led the scoring with 2 goals with Ric Kennedy, Larry Reaume, Peter Haller and Kalvin Hackett adding the others.  
At home Ancaster jumped to a 3-0 lead before Georgetown could get going and then in a thrilling finish Ancaster held on to win 3-2. Georgetown record: 11 wins, 4 losses, 1 tie.

**ONTARIO OUTDOORS**

**Bow shoot breaks record**

As mentioned in last week's Ontario Outdoors, the new Ontario record deer for Bow was taken by Rick Foss of Hespeler. Rick is the Vice President of the Royal City Bowmen's Club and the deer scored by the Ontario Bow Hunters Association as a tentative 171.24 points.  
The required drying time is 60 days but it looks as though this huge buck will place about 14th in North America. Puslich was the scene of the hunt, but there are many very large whitetail deer in the area of Milton and Georgetown.

If you wish to improve your skills and learn more about the skill of bow hunting, join the Royal City club which is the closest to this area. They meet during the winter at Centennial Collegiate in Guelph where they have an indoor range. Summers they have an outdoor range available to members.

For further information on the club, call Rick Foss at (519) 658-9189. I, as well as others are looking forward to the official scoring by the Pope and Young Club on this fine example of our most available big game animal.

**WALLEYE NOW:** That is if the ice is thick enough to hold you. The best time to go for Walleye is as soon as the "hard water" season starts, when the fish are still shallow over rock, gravel or rock rubble, in 10 to 30 feet of water. If you ask me what type of tackle, I would recommend your smoothest running reel whether that was a spinning of baitcasting, as long as it runs smooth.

**NEED PROPER EQUIPMENT**  
Select a rod of about three feet long, even if you have to cut down an old rod although you can buy rods of this type. The action must be stiff and the line should be about twelve pound test, use ice fishing mono if you wish. Get a supply of Swedish Pimple lures and add or "sweeten" the hook with a piece of fish flesh or the eye of a perch (if you can get it) but the absolute best lure as far as I am concerned is the Rapala Jiggling Lure.

This lure travels in a circle when jigged up and down and once again you can sweeten the hook but make sure it is the belly hook. Possibly set a tip up line and jig with the other, just so long as you are in attendance to both lines it is legal.

The Walleye season is open all year on Georgian Bay and until March 31 inland from there where the best fishing is. Several other areas are also open across Ontario, so check your regulations for some of the best fishing you have ever had. Fish from one hour before sunrise to one hour (maybe two) after, and fish again about an hour before sunset to one or two hours after. Get your self warm the rest of the time or look for a place to fish trout as they are active during the mid-day of winter.

**MOOSE POLICY**  
A Moose Management Policy has been approved by Cabinet. This supposedly will increase the Moose herd from 80,000 at present to double that number in the next twenty years. More on this next week.

Kortright Centre, Sundays in December; "Food for birds," "Guided walks" to view several species of winter birds and what they eat, and the store will be open as well as films for all members of the family, 10 am to 4 pm with many other programs available as well.

**CHRISTMAS GIFTS:** Books - "An American Crusade for Wildlife" by James B. Trefethen \$12.50 Winchester Press. "American Sportsmen and the Origins of Conservation" John F. Reiger, \$10 both by Winchester Press and good for Canadians and others, despite the "American" titles. If you have someone on your list interested in conservation, this is an excellent gift.

For the cook, why not get him (or her) a set of metric implements, for the kitchen. Tradition won't let me convert all my recipes. Metric tools will save conversion on new metric recipes. Get ready for festive cooking; buy wild rice now as it may take some time to find it. Sourdough starter now (if you don't have it working). Starting next week I will give you plenty of excellent recipes for Christmas, so see you then.

**Selects are successful**

By TOM DAVIDSON  
Herald Special

The Georgetown Comets played an Exhibition Game at home on Saturday, November 29th against the Oshawa Hawkes, with both teams playing full out to win. The game was highlighted by determination on the part of the Selects who found themselves facing considerably taller and heavier players than themselves.

The team developed a number of scoring opportunities by playing their positions and passing. A good teamwork effort was demonstrated enabling players to cover for one another when on the defensive.

Bob Klavkals scored on a break at the 54 second mark of the first period, unassisted.

Select 2  
Hawkes 0

Chris Higgins, assisted by Ralph Buge, fired home the second and final goal midway through the second period.

Goalies Garry Butwell and Sean Milton shared the credit for the shut-out.

Brian Peacock, Brad Klavkals, Rod Froehner, Mike Ross and Heath Lockhart put in especially good performances. A return match is slated for December 21st in Oshawa.

**Beothucks trounce Pizza**

Randy Brown led the Beothucks to a 5-3 win over Royal Pizza in Georgetown Non-Contact Hockey League action last Wednesday night at Gordon Alcott Arena.

He scored twice and set up two more as Beothucks capitalized on their scoring opportunities while Royal Pizza could only pot three goals.

Brian Jackman, Les King and Brian King scored the other Beothuck goals with assists going to Paul Kavanagh, Clarence Edson and Jackman.

Royal Pizza goalgetters were Rick Maloney from Ron Huber, Jack Pignatelli from Rob Paton and Huber unassisted.

Saturday 4:00 - 6:00 p.m.  
Sunday 2:00 - 4:00 p.m.

**Standard products pee wees win two**

By ROB HUVINE  
The Standard Product Peepees had a good week taking both games. At home against Ancaster the locals simply over-ran the opposition scoring thirteen goals against two. Mike Hurley led the rampage with six goals followed by Brian Doherty with five, Jon Hammer and Danny Kent had three while Mark Pries, Billy Ward, Mike Teetzel and Pat Braund recorded two points each. The team looked a little more together and many fine passing plays contributed to the win.

On the road the locals edged a strong Chiving squad by a 3-2 margin. Georgetown was ahead by three before Ching was able to respond. Pat Braund notched two with Brian Doherty assisting. Mike Teetzel had a goal and an assist.

**Bowlers strike for Colt 45 open game**

**\$10,000 COLT 45 OPEN**  
The first 10 game set of the Colt 45 Open held at Georgetown Bowl from 10 a.m. to 6 p.m. will continue with the final 10 games at Skyview Lanes, Bolton, next Sunday Dec. 7th at the same times.

There are 19 women and 41 men battling for top honors.

Colin Hicks, a local young man in his first attempt is surprisingly challenging the veterans for the lead. Rheel Champagne, who led throughout the 4's of the tournament with Hicks in second, faded in the final 2 games. Jim McCutcheon, on the strength of his 300, 300, and 338 in the 6th, 7th and 8th games pulled into 1st place with a 19 game total of 2643, Art Beard 2602, Colin Hicks 2598 (322-336) and another local standout, Jim Nicholson, 23 pins off the pace with 2580 and 309-331 high games. The 4 leaders in the singles money are Wayne Lockhart 366, Antoine Allise 356, Rheel Champagne 354 and Frank Bolani 352, with a total of 29 300-games rolled by all the competitors. With only the top 10 men in the big money hunt, our other 'locals' are knocking on the door. Gary Hole is at present 11th with 2497, Roger Gervais 2384 (298), Bruce Clarke 2370 (275), Henry Neutel 2327 (280), George Barber 2321 (300), Andy

Parent 2160 (277), Ralph Miller 2065 (224), Bob Hand 1900 (231).

**CHARLENE MacCORMACK LEADS WOMEN**

Charlene MacCormack, a former long-time resident of Georgetown, now Streetsville, as former Canadian Ladies Champion, was continually in the 10 game lead with 2520 and a high single of 326. She is followed by Sue Wise 2450 and

another former Georgetown in 3rd Marg Bratkin who has been struggling with 2242 (286). Pat Jepsen another former local, now Brampton is in 6th place with 2202. Just 38 pins short of the ladies top 9 contingent is Sylvia Graham who did not completely overcome her rookie jitters and 2 poor games kept her behind the money hunt.
