

# FLOWERS FOR ALL OCCASIONS...

The Pomeroy family was impressed with the array of Christmas arrangements, ornaments, centre pieces, garlands, and wreaths that were on display at their Mill Street location. "Ahhh!, thought Mrs. Pomeroy, I'm sure to get a plant I like from the huge selection that's here!" Especially when there are more than just Christmas arrangements... and as Mr. Pomeroy pointed out, Poinsettias were in abundance from as little as \$4.98 Cash 'n' Carry... **The Perfect Gift for the home or for that someone special on your list.**

The Pomeroy's were very impressed by the large selection of appliances on display. They paid particular interest in both the self cleaning ranges and the frost free refrigerators. They also found out that these are now Ontario sales tax exempt since the last budget. The Pomeroy's were very surprised that their gift could be delivered gift wrapped on Christmas eve at no extra charge.
