Making Christmas More Creative . . .

If you're an average snapshot taker or a professional photographer, Creative Camera in the Georgetown Market Place is your camera store. The Pomeroy's want all their Christmas photos to be the best they can be, so they came to the staff of experts for advice. Here, they found cameras and equipment by such famous names as Canon, Minolta, Nikon, Kodak and others, at better prices than you'd expect! For their favourite photos, the Pomeroy's are thinking of enlargement and framing, all done through the Creative photographic store; Creative Camera!
