**HOME OF THE WEEK**

PLAN No. 8-1807  
14m. // 45ft // 11m. // 36ft

**FOUR BEDROOM LEISURE HOME**

Here's a very large recreational home design perfectly suited to the medium frontage building lot, which would make an ideal retreat for the larger family, or for the family which entertains on holidays and weekend sojourns. The two-storey, four bedroom design contains abundant living space and a range of attractive convenience features guaranteed to fulfill the requirements of the most demanding of families.

The Dutch-door entry leads into a large reception foyer, which contains sizeable storage facilities for recreational equipment and cold-weather outerwear. Directly forward from the foyer and naturally right to the large and open angular living-dining room combination. The living room features a wide-hearth masonry fireplace and wood storage compartment, as well as sliding glass doors to the wrap-around rear patio. The dining room has also sliding door access to the rear balcony on its opposite side, for excellent separation of various family activities. The fireplace has an outdoor barbecue feature on the dining room side of the balcony, for easy access to outdoor dining.

A well-planned U-shape kitchen has a stop-saving work triangle and excellent natural lighting from both sides of the angular-mounted sink.

Two large bedrooms are positioned downstairs on either side of the three-piece central bath with tub. Upstairs are positioned the two larger bedrooms, each with generous closet storage and excellent natural lighting. The large master bedroom has a two-piece ensuite and overlooks the living room downstairs. Upstairs is also a third bathroom, which is three-piece with shower, and access to a large enclosed storage area for out-of-season recreational equipment and clothing.

An outstanding design equally at home on lake-fronting property, seaside, or in the mountains.

Plans for design No. 8-1807 may be purchased either by the single set, at a cost of \$70.00 for the first set and \$10.00 for each additional set, or by the package. A live-set plan package, including the first set, is economically priced at \$100.00 and an eight-set package, also including the first set, is only \$125.00.

Whichever method you choose, please include \$5.00 for postage and handling. Ontario residents add 7 per cent sales tax.

Send for the current edition of Cottage Country magazine, Series 41, featuring money-saving do-it-yourself ideas and informative articles on the Canadian cottage scene, plus 16 full-colour pages of quality cottage plans for all seasons. Available for \$2.50 (\$1.75 plus .75 cents postage and handling).

To order any of these items please send cheque or money order, payable to Home of the Week. Ad-  
dress to: Home of the Week, c/o The Herald, Suite 201, 881A Jane Street, Toronto, Ontario, M6N 4C4.
