

**GLT FANTASY THIS WEEKEND**

Rehearsals are well underway for the Georgetown Little Theatre's annual Christmas presentation for children of all ages. This year, GLT is presenting "Hans, the Witch and the Goblin" featuring veteran and novice performers. The play is the story of a beautiful princess who is bewitched, and the handsome young medical student who tries to save her. Here the princess's father, played by Joe Delguidice, is instructing his secretary, Scratch, played by Cathy McGowan, to issue a proclamation offering a reward to the person who cures the princess, while court physician Senna, played by John Roe, looks on. The play will be presented Dec. 12, 13 and 14, with matinees Saturday and Sunday.

**UNICEF cards on sale**

The Georgetown YM-YWCA has begun its annual sale of UNICEF Christmas cards and stationery. Available for \$3.50 in packages of 10 (or \$5 for a larger size) the cards can be purchased at the Y's Mountainview Road South offices in St. Andrew's United Church during normal business hours. UNICEF 1981 calendars and thankyou cards are also available.

**CVCA terms unchanged**

The Credit Valley Conservation Authority has lost a "valid fight" against the provincial government's plan to restrict its appointees' terms on the Authority to two consecutive three-year periods, according to general manager Glen Schnarr. Mr. Schnarr told the Authority recently that natural resources minister James Auld rejected a plea for more flexibility in amending the appointment policy, despite the Authority's request for assistance from area MPPs. Among members affected by the province's revised policy are Gail Maltby of Acton, who will complete her second three-year term at the end of 1981, and Authority vice-chairman Robert Harrison of Mississauga, a member since 1967 who was formally appointed by the province in 1972.

**Have you had a chance to COMPARE?**

Really look at your TV Pictures....

If you don't see good solid reception on every channel on your dial; if the pictures are snowy; if airplanes and passing cars and trucks create noise and picture breakup; if the colour is washed out — maybe it's time you end those frustrations and have Cable TV installed. Peace of mind, and the family will love you for it.
