

Local woman 'adopts' Emelita

Karen Greenham of Georgetown has joined a growing number of Canadian citizens who are extending hands of friendship overseas to financially support a child in the Third World.

Through the Foster Parents Plan of Canada, Miss Greenham recently "adopted" eight-year old Emelita Bautista of Mindoro in the Philippines. Born of farming parents, Emelita is attending Tiguisan Elementary School in Mindoro, where she studies Grade 2 English, Filipino, Arithmet-

EMELITÁ BAUTISTA

ic, Reading, Writing, Music and Arts, Character Education and Physical Education. She has one older brother and two younger sisters.

According to information about the Bautista family supplied by the Foster Parents organization, Emelita lives with her parents in a thatched, palm-leaf hut with sparse but comfortable furnishings. Parents Eugenio and Felicidad had both completed Grade 6 in school when they met in a restaurant where Felicidad was working; Eugenio courted her, often serenading her, and eventually married her in a simple, Catholic church rite. Their estimated net income is \$40 per year.

Foster Parents Plan is currently working in Asia, Africa, Central America, South America and the Middle East. Over 100,000 children are currently being aided by individuals, groups and families in Canada, Australia, The Netherlands and U.S.A.

For more information on this non-profit, non-sectarian, non-political social service organization, write to Foster Parents Plan of Canada, 153 St. Clair Avenue West, Toronto, Ontario, M4V 1P8, or call toll-free anytime 1-800-268-7174.

Sunshine school disposal discussed

The Halton board of education will be discussing the disposal of the Sunshine School in Hornby at an upcoming meeting.

Halton Hills trustee Betty Fisher asked the board Nov. 27 to bring her proposal to rent the facility to the North Halton Association for the Mentally Retarded back to the table at its next meeting when it was announced that no other government body is interested in purchasing the facility.

The school, built with funds raised by the association, was taken over by the board of education in 1969. The board has decided it no longer has a need for the facility, and is trying to arrange for a sale.

By law, the board has to offer the school to other levels of government before taking any other action. No other governments are interested in the facility, while the association has made a presentation to the board requesting that the property be returned to them.

Mrs. Fisher is proposing that the Sunshine School building be rented to the association for the sum of \$1 a year.

The next business meeting of the board is Dec. 11, but because the agenda is already a lengthy one, the matter may not be discussed until the following meeting.
