HOME OF THE WEEK

RANCH-STYLE BUNGALOW WITH FULL BASEMENT
This low-profile, ranch house style bungalow is perfectly suited to the medium frontage residential building lot, and contains in excess of 1,300 square foot of finished floor area, which would make an ideal home for the medium-size family. The solid, comfortable-appearing exterior, finished in horizontal channel siding, fieldstone veneer and chimney, shutter-accented windows and full-width verandah, with heavy shake roof, may be constructed either with or without the optional garage. The shake roofing may be replaced with the more traditional and economical shingles for those who prefer.
The verandah-covered entry leads directly into a compact reception foyer and closet storage area, from whence, traffic moves naturally into the large rectangular living-dining room combination. The living room features a centrally-positioned, cantilevered hearth masonry fireplace and excellent natural lighting. The dining room separates from the kitchen-dinette via space-saving pocket door, for privacy and easy access when entertaining.
The L-shape kitchen-dinette combination has a step-saving work triangle configuration, generous cupboard storage and abundant counter-top work surfaces. A convenient pocket door allows the kitchen to be completely isolated from the main living area for privacy and hygiene.
All three bedrooms are positioned around the central bathroom and linen storage facility. Each has generous closet storage and excellent natural light. The master bedroom has a convenient pocket door access to the main bathroom, allowing it to do double duty as an ensuite bath. The master bathroom has twin vanity sinks, which are separated via pocket door to increase bathroom flexibility.
A full basement, with space for the future development of some combination of recreation room, wet bar and/or additional bedrooms, completes the convenience features of this striking and practical design out of the Old West.
Plans for design No. 79-1340 may be purchased either by the single set, at a cost of \$95.00 for the first set and \$20.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$145.00 and an eight-set package, also including the first set, is only \$175.00.
Whichever method you choose, please include \$5.00 for postage and handling.
Send for the current edition of Select Home Designs magazine, series 46, featuring imaginative decorating and home improvement ideas, plus 250 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75¢ postage and handling). Ontario residents please add 7% sales tax.
To order any of these items please send cheque or money order, payable to the Home of the Week, Address to: Home of the Week, C/O The Halton Hills Herald, Suite 201, 881A Jane Street, Toronto, Ontario, M6N 4C4.
