Georgetown Geminis tie against rough Milton team

The Georgetown Geminis skated to a 5-5 tie against Milton last Friday in a game that was characterized by some rough play on both sides of the ice.

In a close game right from the opening period, the Geminis opened the scoring on a short handed goal by Brad McMeekin, assisted by Herb Hewley. Milton scored midway through the first period to tie the score at 1-1.

Mike McMenemy opened the scoring for the Geminis in the second period on a power play goal, assisted by Bob McCandless. Then Gem Mark Hamilton scored the first of two consecutive goals, both of them assisted by Bill Taylor, to make the score 3-3.

In the third period, Hamilton scored the second of his two goals with Paul Gingras assisting. Curt Fitzsimmons scored the final goal for the Geminis in the game at 5-5. Gingras also assisted on the Fitzsimmons goal.

The game was very close for each of the three periods as each team scored once in the first period and twice in each of the other two periods.

HOME OF THE WEEK

COUNTRY-STYLE TWO-STORY COTTAGE

This charmingly rustic three bedroom cottage design possesses a degree of style and sophistication seldom found in recreational homes. All of the modern convenience features found in today's residential homes have been incorporated into this eye-appealing and compact package. The traditional exterior, finished in stone veneer, stone chimney, horizontal channel siding and shake roof, is reminiscent of the old stone cottages of continental Europe. The design's floor plan provides a spacious 1,650 square feet of finished floor area.

The weather-protected entry leads into a compact reception foyer and naturally left, into the large living-dining-family room complex. The living room features a large stone-veneered masonry fireplace and swing-out doors to the front verandah. The dinette-family room is a large combination area which can contain several activities at once. It features a sliding glass walk-through which connects to a large rear-facing patio, for outdoor activities such as barbeque, table-tennis or sun-bathing.

An extended galley-style kitchen provides a step-saving work triangle configuration and ease of access to both the dinette and the patio. A two-piece vanity bathroom is centrally positioned to all downstairs areas.

A single enclosed garage is sunken three risers from the main living level, and contains abundant space for both storage and a work bench for the cottaging handyman.

All three bedrooms are positioned upstairs around the central bathroom and linen storage area. Each has excellent natural lighting and ample closet storage facilities. The large master bedroom has a three-piece ensuite bathroom with tub behind a space-saving pocket door, and a full-width closet. A step-saving side-by-side laundry facility is contained behind lowered bi-fold doors, central to all bedrooms for convenience.

Plans for design No. 8-1851 may be purchased either by the single set, at a cost of \$95.00 for the first set and \$20.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$145.00 and an eighth set package, also including the first set, is only \$175.00. Whichever method you choose, please include \$5.00 for postage and handling. Ontario residents please add 7% sales tax.

Send for the current edition of Select Home Designs magazine, series 46, featuring imaginative decorating and home improvement ideas, plus 250 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75¢ postage and handling).

To order any of these items please send cheque or money order, payable to the Home of the Week. Address to: Home of the Week, c/o The Halton Hills Herald, Suite 201, 881A Jane Street, Toronto, Ontario, M6N 4C4.
