Dear Santa, Thank you for last year's toys. I will leave you a carrot and some hot chocolate again. This year I would like Merlin and a Sticker Book.  
Love from Julie Greig  
12A College St. Georgetown

Dear Julie, You made my reindeer and me so happy last year with that delicious hot cocoa and one of the juiciest carrots I'll ever eat during the trip. I'll certainly see about getting you a sticker book and I've put in a special request to an old magician living up here to make you a "Merlin" of your very own.  
Merry Christmas, Santa
