

SANTA'S MAILBAG

Dear Santa,
Mommy is writing this letter for me and my new brother Jimmie. My name is Lesley and I am 4 years old and Jimmie is 7 months old. We want to let you know that we'll be at Nana's house in Florida for Christmas

and we wouldn't want to miss you. I would like a Baby Soft Sounds, Perfection and a wagon for Jimmie. We have both been pretty good and promise to be better in the future. I would also like a robot and a hammer toy for Jimmie. Thank you for last years toys and we will leave you cookies and milk and carrots for the reindeer. Thanks very much, Santa and have a good trip on Christmas Eve.

Love Lesley Jane Fairles
and
Jimmie David Fairles
RFB Milton, Ont.

Dear Lesley and Jimmie,
Your Nana has already been in touch with "Elf Central" here in the North Pole and the reindeer have been given strict instructions not to forget your house in Florida. After all, we'll be passing by anyway on our way to Cuba, Mexico, South America and the rest of the world to visit children like you and your brother. I've got your gift list, too, and who knows, but maybe the robot can drive the sled for a spell Christmas Eve, ho-ho-ho!
Happy Christmas, Santa
