### Church visitor charms Ballinafad youngsters

By WINNIFRED SMITH  
Herald Correspondent  
877-2000

Rev. Fred Balsdon was guest speaker at the service of worship at Church Sunday. He had an interesting little story for the children entitled "Messing Things Up" and told of some personal experiences he had had.

Nancy Shortill accompanied the ladies' choir at the most inspiring when they sang a most inspiring anthem. The theme for the sermon by Rev. Balsdon was "When You Are Uncertain". There will be a hall board meeting at the Community Centre tonight (Wednesday) at 8 p.m.

There was a meeting in the hall last Wednesday evening to organize Soccer for this coming season. There will be the Mini Squirt - ages 5-6, the Squirt - ages 7-8, and the Atom - ages 8-9.

Wedding bells will be ringing for a former Ballinafad girl who now lives in Georgetown. Penny Todd and Glen Harris have chosen St. Valentine's Day for their wedding, which will be at Holy Cross Church in Georgetown. A car load of

ladies from Ballinafad attended a miscellaneous shower for Penny at Georgetown Sunday afternoon.

It was cloudy and at times the sun came out for Ground Hog day Feb. 2. No matter what time he came out to have a look, guess we will have six more weeks of winter at any rate.

We extend sympathy to Mr. and Mrs. Bob Harmon. Mrs. Harmon suffered the loss of her father recently, Mr. Cutter, who was a former Ballinafad resident, had been ill for a long time.

Ernest McEnery is progressing favorably at his home after surgery at the Georgetown Hospital.

### Village welcomes babies, guests

By JOHN BELLEBODDY  
Herald Correspondent

At the church service a week ago Sunday morning in Hillcrest United, two dear little babies were baptized: Wayne John, son of Mr. and Mrs. John Ervin, and Lindsay William Ross Neelands, son of Mr. and Mrs. Ken Neelands. At the close of the service, a Pot

Luck lunch was held, followed by the Annual meeting. The last week of January, Mr. and Mrs. Clayton Wilson had the pleasure of a visit from Lieutenant and Mrs. Frank Blakely and their two children from Ft. Benning, Georgia. Mrs. Blakely (Bonnie) is their granddaughter and Heidi and Mark are their great-grandchildren. The family visited around with other relatives before motoring back home.

GOING 'BATIK'

You can do a lot of wacky things with a little wax, as Amanda Dowdle discovered Saturday at the Georgetown's temporary library in Guelphview Square. Thanks to librarian Judi Starkey (left) Amanda and her sister Heather learned something about batik art, a technique using melted coloured wax as a medium. Although the demonstration was really aimed at adults, it drew considerable amount of attention from youngsters too.

## Cooking begins for 4-Hers

By KELLY LOUGHNAN  
Herald Special

The first girl's 4-H cooking class met last Saturday (Jan. 31) at Mrs. Koperdraad's.

Members of the group included Shelley Wilson, Helen Schwarz, Christine Curry, Melissa Mazuran, Mary-Jane Guest, Susan O'Connor, Kelly Loughnan, Margaret Pinkney, Lynne Sinclair, Laura Longstreet and leaders Kathy Lornak and Mrs. Koperdraad.

First the girls elected the heads, president, vice-president, etc., and then they learned all the basics about their theme "Which came first, the Chicken or the Egg?" Later the girls took turns cutting up the two chickens under the direction of Helen Schwarz and her trusty book.

The first meeting turned out to be great fun, a good learning experience and also an all round success.

Good Citizenship deserves a Medal

Do you know anyone here in Ontario who-through selflessness, humanity and kindness without expecting anything in return-has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

12 recipients are selected yearly by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing: Executive Secretary, Advisory Council, Ontario Medal for Good Citizenship, Queen's Park, Toronto, Ontario M7A 1A1.

Making a nomination is itself an act of appreciation for good citizenship. All nominations should be received by April 15, 1981.

# SHOCK TALK

Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.

So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.

If a line falls across your vehicle, stay inside until a hydro crew removes the line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.

**Electrical safety is no shock to you.**
