Cost Accounting outstanding opportunities with a world leader

At Varian Canada we are a high technology electronics company manufacturing and marketing microwave tubes and components, high voltage power supplies, high power klystron amplifiers, magnetometers and scientific analytical instruments for world markets. As a result of steady, sustained growth we now offer the following opportunities.

Cost Accounting Manager

Reporting to the Operations Controller, you must have R.I.A. status or an equivalent professional designation and departmental supervisory experience. Your broad based experience will have covered both job batch and process costing, exposure to a high technology industry such as electronics would be a definite advantage.

Cost Accountant

You should be in your fourth or fifth year of a recognized accounting program, (preferably R.I.A.) and ideally be familiar with batch and process costing. It is essential that you have at least three years' experience, preferably in high technology manufacturing environment.

Both opportunities offer competitive salaries and a comprehensive benefits program which includes a dental plan, stock purchase plan and profit sharing.

To pursue these opportunities further, please send your detailed resume, in confidence, clearly stating in which position you are interested, to: Personnel Department Varian Canada Inc. 45 River Drive Georgetown, Ont. L7G 2J4 (416) 457-4130 (416) 877-0161
