

Laurie Early tops AHS grads

Laurie Early tops Acton High School's January list of Grade 13 graduates with a potential Ontario scholarship average of 80 per cent.

Also graduating from Grade 13 last month were Chris Kainz, Alice Mulders and Sheila Johnson.

Grade 12 graduation diplomas were presented to Bev Anderson, Janet Britton, Sandy Charant, Janice Curry, Robin Gannon, Esther Jones, Russell Miller, Erik Mussnug, Glen Renton, Geoff Saxon, Gordon Scott, Steve Scott, Joanne Walker and Mary Ziegler.

Student will soon finish at GDHS

Do you know this young lady? Seen here in a photo taken some years ago, she's

now in her final semester at Georgetown District High School, and her friends decided they'd like to share her childhood likeness with other classmates as a bit of a Valentine's Day joke. More on this "dramatic" story as it unfolds.

Acton police meeting lauded

Halton Regional Police force might hold open houses such as was held in Acton last week if the situation warrants it in some area of the region, a member of the Halton regional police commission said Friday.

Halton Hills commissioner Glenn Magnuson said the happy result of last week's open house in Acton seems to prove that such affairs have a worthwhile result and therefore might be worth considering if a problem appeared somewhere else sometime.

Storm delays planning meeting

Last Tuesday's town planning board meeting had to be cancelled because of the winter storm that passed through southern Ontario.

A spokesman for the department said two public meetings on the agenda, one concerning a Georgetown business and the other concerning a re-zoning of land to permit the construction of the new St. Joseph's separate school for Acton, will be rescheduled probably for the board's next meeting this Tuesday.

Also on the agenda were a couple of matters brought up by regional planning staff.

A regional condominium conversion study report will also be discussed at the next meeting since it was withdrawn by regional staff representatives to travel to Halton Hills in the storm.

Anyone interested in attending to hear any of these matters discussed is advised to check with the planning department to be sure they will be on the Feb. 24 meetings since rescheduling is tentative.
