Minors sell enough tickets for Timmy Tyke entry at Maple Leaf Gardens

## Gardens dream kept alive for Atoms

There were two ways for teams in the Timmy Tyke Tournament to play at Maple Leaf Gardens. One was to win in their division or be one of the two top ticket selling teams.

The Al Pitutti Minor Atoms gave a good account of themselves against very good competition and lost their two games. However, it seems that of the 64 teams in the tournament, Georgetown is number one in ticket sales. The Minor Atoms will be playing an exhibition game against Hillcrest on Good Friday, April 17th, at a time not yet announced.

put the locals up by two. Oshawa came back with four unanswered markers over the rest of the contest, which was played as two, 20 minute running time periods.

The game was quite exciting as Georgetown hit three goal posts and had several loose puck opportunities around the net but could not connect.

**LOCALS LOSE**  
The second game was against Wexford Toronto and the locals lost 6-5 in an overtime shootout.

Wexford drew first blood in a powerplay effort but Brent Presswood evened it up with the

help of Doug Kent. Wexford came back with two deflections to take the lead. Alan Giray was awarded a penalty shot when he was pulled to the ice on a breakaway just as he was about to shoot. The Wexford netminder came up with a nice save to keep Georgetown off the scoreboard.

In overtime, shootout Georgetown but Wexford netted a pair to win 6-5.

## Final youth registrations

The final youth registrations take place at the Gordon Alcott Arena Hall from 7-9 pm tomorrow evening. We expect to fill the open spots fairly quickly and the remainder will be placed on a waiting list.

The earlier you are there the better are your chances of registration without the agony of waiting to see what the chances are. We should have the whole situation sorted out soon and we are poised for drafting towards the end of April. Any unregistered 'rep' players had better be early otherwise they may well be left out on a limb.

The Inter County League held a meeting last week to begin operations for the coming season. 1980 champions Meleors 'A' and 1st Division winners Olympia head the returnees with Engies, Acton, Ancient Mariners and newly promoted ICOM Alpin forming the 1st Division. Ajax, Meleor 'B', Guelph, S W Milton, Milton Rangers and new club Varian Vikings form the 2nd Division.

Amilestone is the decision by the member clubs to become official and apply registration with the Peel Halton Soccer Association, with affiliation to Ontario's provincial body. This should do a great deal for organized soccer in the area.

The Falcon seniors went down to McMaster university for an indoor tournament and returned with mixed results. They took a 4-3 overtime win in the first game with A. Tough

netting the winner from the penalty spot. The second and final match was a loss. The experience will hold the lads in good stead for the outdoor season as the quality was fairly high in standard.

Looking around the fields after the warmish spell leaves me wondering at some folks mentality. The grounds are saturated with water and extremely soft. Using them this soon has left a couple of them badly cut up. I trust soccer folks mentality. The grounds are saturated with water and extremely soft. Using them this soon has left a couple of them badly cut up. I trust soccer folks will have a little more consideration at this stage.

The Blizzard made a poor showing in their first start of the 81 season, going down 0-1 to the Tea men, now Jacksonville. Once the Team men decided that the 4-4-2 formation of the visitors posed few problems the game was over bar the shouting. As it was, a single counter from opportunist Alan Green was enough to settle the issue.

### SCOTT'S PLAQUE

Assistant Trainer Scott Ewins presents a plaque to the Gemini players for their friendship and devotion to the game. The plaque will hang permanently in the Gemini equipment room.
