What Every Student Needs To Find A Job This Summer

It takes more than a simple desire to work and a little good luck to find a job. It takes organization, determination and a willingness to try a variety of options. That's why the Ontario Youth Secretariat has written a special handbook called "The Edge". "The Edge" gives a systematic and positive plan of action for finding work and then making the most of it. It also gives guidelines on how to create a job by turning personal talents into a small enterprise.

"The Edge" is an essential primer for any young person looking for a job. That's why we're making it available free at high schools, college and university placement centres and libraries. Or you can write to us, Ontario Youth Secretariat, Queen's Park, Toronto, Ontario, M7A 1Z1. We'll make sure you get "The Edge."

Ontario Youth Secretariat. An agency of the Ontario Government. Working for youth. Working for you.
