

Town honors athletes - page B4

Skaters Kelly Johnson and Kris Barber were among the many well-known athletes that were honored last Wednesday at the Town's Honor and Recognition Awards night. The Johnson-Barber duo placed twelfth last March in the World Figure-Skating championships. (Herald photo)

Designated batter rule drives game home

The GIFL adopted the designated player rule this year in an attempt to increase participation. Coaches couldn't have hoped for a better result to date.

All five hitting appearances this week resulted in the batter getting on base. Designated hitter Doug Pemberton drove in the winning and insurance runs with a clutch single in the fourth inning, while George Trencs proceeded to shut down Inesko Equipment, accumulating 12 strike outs, as Family Trust took the game 7-2.

M. Santos made an impressive first start of the season, giving up only one hit in five innings. George Sheppard came on in the sixth to save the 9-3 victory for Varian, as they handed Inesko Equipment their 4th straight loss. Bob McDonald suffered his second loss of

the season in the game. D. LaFaret blasted a solo home run in the fourth for the winners.

Meanwhile, C and S Plumbing were continuing their winning ways, destroying Peel Steel 7-0. This brings to three the count of mercy rule game terminations for C and S. They have hardly loosened up their arms, yet.

MERCHANT VICTIMS
The Merchants became the first victims of Akers-Clark Real Estate this season. A pair of runs in the bottom of the seventh earned the 5-4 victory for Keith McKinnon, who relieved Jim Murphy in the sixth. Bob Robson, who took over from Gord Spears, suffered the loss. The winning run scored on a two out infield single by Allan Denmore.

The final game of this rain-shortened week saw the North Halton Sports bats

come alive to destroy Family Trust Real Estate 8-0. Larry Peterson lead the way with two doubles and a single in three trips while D. Spear held the realtors to just five hits on his way to the shut-out victory.

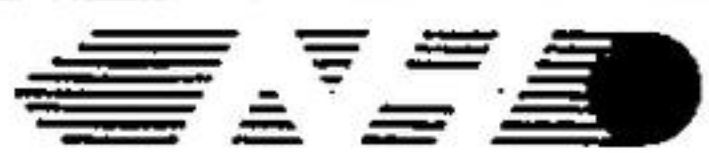

Games tonight start at 6:30, featuring Akers-Clark taking on Family Trust and Varian visiting North Halton Sports. At 8:30 the Merchants host Peel Steel while Inesko Equipment will be trying to solve the C and S Plumbing attack.

A lone game Sunday sees Inesko Equipment visiting North Halton Sports at 8:30; and finally, the three game Monday night card sees C and S Plumbing vs. the Merchants, Peel Steel against Family Trust, and Varian visiting Akers-Clark. Come on out to the Georgetown Park and see some exciting fastball. There's no charge, plenty of seats, and the fresh air will do you good.

GDHS sends 36 to Peel-Halton

Rebels finish second at Halton track meet

By HARALD BRANSCH
Herald Correspondent
The GDHS track and field team placed second overall to White Oaks high school after the final section of the Halton track and field championships were completed last week. The Rebels also placed second to White Oaks in both the boys' and girls' divisions.

In total 20 boys and 16 girls qualified to go on to the Peel-Halton in over 55 separate events.

Individual winners are Lyn MacPhail in the midjet girls' 3000 metre followed by Tanya Sherrard who placed second. Gary Hulbert and Chris Ferguson placed one-two in the midjet boys' 800 metre race. Susan Kristensen, in the junior girls' 3000 m, placed first.

In the senior girls' 1500 metres Heather MacLaren ran to a first place finish while Debbie Newman and Heather Reed placed first and second respectively in the senior girls' 3000 m. Doug Smith won the senior 800 metres followed by Dale MacGregor who placed second. Smith also won the senior boys' 1500 m. Brian Davis won the senior boys' 200 m.

LEG BROKEN
Dave Bootle placed fifth in the senior boys' high jump but produced a more unusual result as he slipped in his first attempt at 1.82 metres and in his second attempt he broke his lower leg during his take-off plant with his foot. Dave is now unable to compete.

Coaches Donna Metcalfe and Karen Cosgrove were pleased with Halton results and said everyone did as well as they had expected.

The next meet will be the regionals where competitors from southern Ontario will try to qualify for the OFSAA (Ontario) finals.

The senior Falcons soccer club of Georgetown battled it out with Neerlandia of Mississauga but were defeated 1-0 in a goal late in the game last Monday. The Falcons start

their regular season schedule next Monday night at Cedarvale against Burlington. Game time will be 8:45 p.m. (Herald photo)

Rival's goalie cheats Falcons in 1-0 exhibition soccer

The Georgetown Falcon senior soccer club lost a closely-matched game against first division's Neerlandia from Mississauga, 1-0.

In the exhibition match last Monday night, coach Stu Robbins said after the game that he was pleased with the play of his team. "We had as many if not more chances than they (Neerlandia) did, but their goalie was exceptional."

The Falcons start their regular season schedule May 25 with a game against

Burlington. As far as the season is concerned, Robbins said the team this year will hopefully have a mix of experience and youth.

"Hopefully we can put pressure on opposing teams quickly and prevent them from setting up," Robbins said. "We have to work on scoring goals and our communication between the players. Hopefully we can play entertaining soccer."

MORE GOALS
The team certainly needs to score more goals and the coach would like to see his

players moving the ball without running with it too far. Robbins said there are no real stars on the team so the 1981 Falcons must work as a team if they are to do well.

Georgetown - 0 Neerlandia - 1

The Falcons this year will have to use their hustle in place of experience against some of the top clubs, Robbins says. "It will take hard work by sixteen play-

ers," he said.

If the Falcons want to play in the first division next year they must finish in first place this year in the B division. The average age of the Falcon team is about 23 years, Robbins said.

The team is moving the ball well out from the defence, but now the next step will be to work on the midfield, Robbins said. "We will be working on the timing of slide tackling and controlling the ball," the coach said.

Sports in brief

Draft plans change

The Georgetown District Minor Hockey Association (GDMHA) will be initiating some changes in their system of drafts for the 1981-82 season.

To make the drafts more fair to the players, each child will be graded by their coach and each coach will pick a team based on selecting an A, B, C player.

When a team has been selected, each coach will then pick a team from the hat. In other words, none of the coaches will know in advance what teams they are on and thus cannot choose all the best players. The sponsor's name will follow the coach and not a team. This system of drafting is already being done in Pee Wee age categories and lower.

As far as news on the Georgetown Select teams is concerned an announcement will be made as to whether the league will be allowed to continue next year.

DAVIDSON PRESIDENT
Executive elections were held by the GDMHA and newly elected president Tom Davidson will head an expanded executive. Davidson, who replaces Wendy Stewart (now Past President), is optimistic about the new executive because there are almost twice as many members and six or eight members are women.

"All the people in the new executive are very experienced and are people interested in minor hockey," Davidson says. The new president is a level five coach and was part of the coaching development section of the GDMHA as well as coaching the Pee Wee Selects.

Royalettes luck out

The Georgetown Legion Royalettes fastball team played in a tournament last weekend in Port Colborne, but they came up dry against stiff competition.

A team from Tonawanda, New York ousted the local senior girls team 8-1. Their opponents had been playing for a few weeks but this is one of the first games for the Royalettes, coach Ted Wilkes said.

On Saturday afternoon the locals played Milverton which is a town just north of London. The girls settled down and they played well but were defeated 3-1. The coach used all three pitchers for the game. Wilkes said that the tournament served as good game experience and the girls played well.

There were 16 teams at the tournament and the Milverton team which beat Georgetown went on to become the 'B' champions. The Tonawanda club also went right to the finals in the 'A' division.

Nancy Shortall and Joey Bennett played well for the team at shortstop and catcher, Wilkes said. The team has 11 players signed to their roster, but the final deadline signing players isn't until June 15.

Syd, Ann lead Golden Age winners

The Georgetown Bowl Golden Agers held their annual awards night and banquet last Thursday. Many individual as well as team trophies were presented.

The top high average bowlers for the season were Ann Nicholson (206) for the ladies and Syd Marder (217) for the men. The winners of the high triple flat trophy went to Ethel Hardman (675) and Grant Real (766).

In the high single flat category Agnes Dobbie (245) and Jim Wilson (360) emerged the champions. High triple with handicap honors went to Vi Hewitt (733) and Roy Haley (757). High single with handicap was awarded to Lily Mitchell (327) and Norman Smith (343).

In the Most Improved Bowler category Ethel Hardman (24 pins) and Fred Shortall (23 pins) collected trophies as winners. Those

given hardware for perfect attendance over the season were: Floss Tracy, Mae Tost and Osobel Devereaux.

BOWLER OF YEAR

Bowlers of the Year were Maud Terrell and Bert Archer. The first place team for the regular season were the 'Rolling Stones'. Team members are Captain Syd Marder, Kay Fryer, Muriel Miller, Floss Tracy, Edith Patterson and Myrtle Everson.

The second place team in the regular standings were 'Annie's Girls'. Team members are: Ann Nicholson, captain, Vi Hewitt, Mabel Livingston, Agnes Dobbie, Nellie Puckering, Lenore Armstrong.

Playoff champions were the 'Blue Jays' captained by Florence Eason and Margaret West.

Other playoff winners were the '74's' captained by

George Burt with Barb Reyce, Maisie Wilson,

Robert Hardman, Cyril Brandford, Bert Archer,

Jean Cunningham and Abbey Haley.

Accepting individual trophies for their bowling excellence throughout the season are the following Golden Agers of Georgetown Bowl: (front, left to right) Vi Hewitt, Lily Mitchell, Ethel Hardman, Roy Haley, (back row), Jim Watson, Grant Real, Bert Archer, Agnes Dobbie, Anne Nicholson, Syd Marder and Fred Shortall.
