Falcons strong against Bermuda

The Georgetown senior Falcons were hot against a Bermuda Cavalier team last Monday night at Cedarvale. In the game which ended 2-2 the visiting Cavalier team were lucky to end the game with a tie as the Falcons continually peppered their opponent's goal with good scoring chances late in the game.

The game was one where the two teams were playing contrasting styles; the Falcons were hard-hitting and direct while the Cavaliers were fast-moving and quite skillful in their ball-handling. After the first 10 minutes the Falcons found themselves down one goal but the local team came right back after Doug Thompson headed in a teammates pass. However, Thompson's goal was disallowed and the Cavaliers were awarded a free kick instead.

THOMPSON'S REVENGE
 In the second half Thompson got his revenge as he scored the equalizer for his team from a crossing pass by Steve Robbins. The Falcon's tying goal seemed to inspire Georgetown as they controlled the play and limited the Cavalier's scoring chances. Doug Thompson scored his second of the night on a corner kick which he booted in. A minute later the Cavaliers broke through the Falcon defence on a breakaway to score to even the game at 2-2. From that time onward the

Falcons were on the attack, hard pressing their opponents to try and shoot for a win. Both Dave Chapman and Doug Thompson had some good scoring chances.

Falcons continue to play a hard, direct and determined style of play against their out-of-town opponents. (Herald photo)

The Falcon soccer club are showing a lot of poise this early in the season. Their last game against the Bermuda Cavaliers was impressive as the

local team came within some good scoring opportunities that would have given them the win. However, the game ended at a 2-2 score.

Soccer's George Baines

George Baines is one of the keenest soccer people in Georgetown besides being a very forthright person and a hard task-master, according to Youth Soccer Pres. Alex Tough.

George can be seen frequently on the soccer fields during the summer whether his team is playing or not. He is an ex-pro goalkeeper from England and is one of the founding members of the Georgetown Falcons. This year George is coaching the Georgetown Bantam Falcon squad. Thus far in the season his team is undefeated.

George is a strong believer in physical fitness. He is a strict disciplinarian who has served Georgetown Soccer as a coach, referee and committee member. Last year he was the coach of the junior Falcons and often many of the players would come by and talk soccer in his basement.

Although he broke his ankle playing for the Ancient Mariners a while ago the talented centre back is always a threat while on the field for his team. The Mariners consist

of coaches and managers in the Georgetown Youth Soccer program who play in the inter-county soccer league.

Ontario fish survey

A survey on sportfishing in Ontario will be carried out early in 1981 by Ontario's Ministry of Natural Resources in conjunction with the federal Department of Fisheries and Oceans, Ontario's Natural Resources Minister James Auld announced.

"The last survey was carried out in 1975, and up-to-date information is required to manage effectively for the demands that will be placed on Ontario's fisheries in the next decade," Mr. Auld said.

Not all of the Ontario residents receiving the ques-

tionnaire will be anglers. The participation in the survey by non-fishing residents is necessary to get a cross-section sampling for unbiased results. Non-fishermen will be required to answer only a small section of the questionnaire. "I would ask that those receiving questionnaires respond as fully as is asked of them, and that they return them as soon as possible," Mr. Auld said.

Results of the survey should be available to the public by mid-year.

Royalettes lose to Newmarket

The Georgetown Legion Royalettes lost against Newmarket 3-1 last Monday in a well-fought game. Until the sixth inning there was no score in the contest.

However, some defensive errors by the Legion senior girls team resulted in Newmarket gaining some runs. Barb Curry for the Royalettes scored a home run when her base drive was called fair which took the Newmarket fielders by surprise.

The Royalettes played

catch that Michelle Mielhm made to force three outs with two on base. Mielhm did a diving roll and saved the Royalettes from what would have been a certain line drive.

The senior girls fastball team will be playing in London over the weekend in a tournament.

Mayor's Race June 14

In all likelihood, the pater of little feet which suddenly comes from out of nowhere is a runner practicing for the Mayor's Third Annual Road Race, scheduled to get off to a grueling start June 14. Information on the race and race sheets are available at the town's recreation offices, now located on James Street in Georgetown, or you can pick them up at The Herald's front office.

Glen Merchants hold weekend tourney

The Glen Merchants Fastball team will be holding a 12-team tournament this weekend starting tonight at 7 p.m. Competing against Glen Williams during the weekend tournament are: York Merchants, East York, Alton, Belwood, Acton Roadrunners, Erin, Nottawa, Guelph, Streetsville, Grisby and Orangeville.

The tournament hours on Saturday and Sunday are from 10 a.m. to 8 p.m. Come out and support the local squad and watch some good baseball action.

Senior public relays

At the Halton senior public school relays last May 26 both Centennial and Stewarttown produced some winners.

In the Bantam division the Centennial contingent finished first while the Junior division was won by W.I. Dick of Milton. The intermediate races were won by Brockdale of Oakville; as Stewarttown came in second. The Senior division was also won by Brockdale while the open division championship was taken by W.I. Dick.

The intermediate girls won the non-mixed race while the Stewarttown intermediate boys were fifth. The top six

teams make it to the finals. The Stewarttown Junior girls were fourth.

Centennial had some misfortune with their intermediate team when the boys dropped their baton and were disqualified. The Centennial seniors finished in sixth spot while the juniors finished in third.

Last week a Stewarttown student distinguished himself at the Cobra Classic in Oakville one of the largest age class meets by finishing first in the boys' long jump. John Jickling was third in the 7-year-old 100 m while Kim Pollen won his heat in the 500 metre race.

Limehouse girls baseball

In the opening game the bantam girls were defeated 17-9 by Glen Williams.

Kendal Batchelor was heavy at bat for the Limehouse squad going 4 for 4. Val Inglis for the Glen was hitting hard also going 4 for 4.

The second game of the season the girls met defeat at the hands of the Hornby club and lost 23-8.

Lowville downed the girls 42-1 with Linda Thomson scoring the only run for Limehouse.

Susan Brown played a solid game at short.
