**Pool Patrol helps stop repair bills**

Vandalism is a problem that affects all the people that use the Town pool facilities. This problem has grown in size and has resulted in high repairs bills and staff costs, as well as causing problems for individuals that use the pools.

It is too bad that there are a few individuals that are causing the problems and we all have to suffer the consequences.

We hired an individual to patrol the men's changeroom during the recreational swim sessions and this has proven to be extremely helpful in eliminating the vandalism and hooliganism.

We have set up disciplinary procedures that will be enforced on individuals that cause the problems and they are as follows:

1st infraction — suspended one day, 2nd infraction — suspended two weeks with the Pool Supervisor calling the individuals parents or guardian explaining the problem and reasons for the suspension, 3rd infraction — suspended for two months and a letter going to the parents or guardian explaining problems and reasons for suspension, from the Supervisor of Aquatics.

An immediate suspension of one year from all Halton Hills pool facilities will be given to all individuals who are caught stealing or willfully damaging the pool facility.

Along with this suspension, a letter will be sent to the individuals parents and police, explaining the reason for the suspension and that if the person is found on the premises within the one year period they will be charged with trespassing.

The V.I.P. (Volunteer Instructor Person) program is going very well. We have a number of volunteers at each pool (Georgetown Indoor Pool, Dick Licata Memorial Pool, Acton Indoor Pool) every morning, helping out with lessons.

**VIP PROGRAM**  
If you are interested in becoming V.I.P. call 877-7721 and ask for Tineke, or 877-1021 and ask for Pat, or 853-3140 and ask for Karen. The first season of summer lessons is going extremely well and the weather has been great for the Dick Licata Pool and Prospect Park programs. Most of the indoor pool classes were filled and everyone is having a great time and learning a lot. The last day of the first season was Tuesday, July 21, 1981.

Something new in lessons: instructors now have five minutes at the end of each class to discuss with the parent, their child's progress. Please use this time.

**Bats solid for Georgetown Cricket club**

By DR. A.N. KUMAR  
Herald Special  
In spite of magnificent batting by Georgetown, they lost to Oakville but beat Brampton over the weekend 18 and 19 July. Both the games were played away.

On Saturday Georgetown played at Oakville. Winning the toss, Skipper A. Kumar decided to bat. Georgetown were off to a 'flying' start through R. Mongru and S. Jahoor who put on the highest opening wicket partnership of 72 when Jahoor was out for 29.

N. Balkisson joined Mongru but was soon out after scoring seven with total at 84. A. Kumar coming next hooked a short ball for a six but got out to a ball well outside the legstump, the ball hitting the toe nicked to the wicket. This made the score 100 for 3.

A. Emmanuel coming in next hit his way to glory. Out of the next 50 runs Emmanuel scored 40 which included 2 towering sixes and three boundaries.

Emmanuel was finally out caught on the boundary attempting another six. This made the score 151 for 4. R. Mongru at the other end competed his first 50 in league and was batting showing excellent form. He took over the scoring at this stage and raced to his century with some superb stroke play.

Mongru compiled his 100 in 2 1/2 hours aided by 11 boundaries. This is the second century ever for Georgetown, the other centurion being A. Kumar. R. Mongru has shown excellent form during his past three innings and this augers well for Georgetown. Georgetown declared the innings closed at 203 for 6.

This score appeared to be a formidable one to start with. But as usual at Oakville, the weather intervened and eventually decided the issue. Georgetown started well by dismissing the first three batsmen for 54 runs in almost a continuous drizzle which became heavier. At this stage the team's took shelter. But the heavy rain and continuous drizzle before made the ball greasy and difficult to grip.

Moreover, A. Windsor who is capable of moving even after the ball loses its shine and who had taken the first two wickets had to be satisfied with no movement at all. Georgetown however, fought gamely right to the end and lost the match with only 2 overs left for completion of the match and Oakville's last

pair but one at the crease. Thus Oakville won the game through sheer perseverance and took full advantage of weather. Georgetown were thus once more beaten by the weather.

For Oakville O. Smith scored 59 while K. Budrie added 28. A. Windsor bowled well to take 3 for 43 while N. Balkisson took 2 for 44.

Notwithstanding this loss on Saturday, Georgetown took on Brampton on Sunday. Batting first Georgetown started disastrously losing five wickets for 33 runs. R. Mongru and N. Balkisson however rallied to push the score to 60 before Balkisson was out for 16.

Then a magnificent century partnership between G. Bland and R. Mongru took

Georgetown to 160 for 6 when the innings was declared closed. Graham Bland batted magnificently to score an unbeaten 53 which included 5 boundaries and two towering sixers.

R. Mongru followed his magnificent century against Oakville with an unbeaten 51 which included 3 boundaries. For Brampton L. Challenger got 3 for 39.

Brampton started disastrously and never quite recovered in spite of a fine unbeaten 41 by N. Gault. They were bundled out for 84. N. Balkisson was deadly with 6 wickets for 15 while N.

Samaroo got 3 for 15. Thus Georgetown beat Brampton by 76 runs. Georgetown play Mississauga Ramblers away on 26 July in their next match.

**Rud Whiting tourney**

Earlier worries that our mail strike could keep avid golfers away from the Rud Whiting Celebrity tournament for Muscular Dystrophy, were put to rest last Tuesday July 14.

The Erin Heights golf and country club hosted many Halton Hills town notables for the Whiting tournament. The Union Gas award for the low net score went to Al Alis while Al Wait accepted the low gross trophy, shooting a 38.

The Best Foursome net award was accepted by Brian Clark, Ron Whitaker, Barry Mills and Ben Doan. The Best Foursome Gross went to Jim Jones, Paul Skimmer, Ted Warral and Ken Allen.
