Sign up for swim sessions

Herald Special
We are now past the halfway point in our summer swim program.
That's right! You have only till August 17, 1981 to register for our last summer session of lessons which run until August 31, 1981.
All are encouraged to come out and meet the Swimming Pool Staffs. They will assist you with any questions you may have about our programs.
It's never too late to learn to swim. Don't wait till tomorrow what you can do today.
Water Sports, from boating to water skiing to swimming, are enjoyed by Canadians of all ages.
Every year more than 900 Canadians drown; many of them are children. Learning to swim properly and becoming familiar with water safety rules can ensure the safety of every member of the family.
The Acton and Georgetown pools have a long history of leadership in swim instruction. We use the National Red Cross Swim Safety Program for the fall of 1981 swim session. The new program is interchangeable with the old Red Cross system and there are equivalency charts at the pools to help you determine which level your child should be in.
The new system is designed so a child is continually progressing. As one skill is completed, it is checked off and the student tackles a new skill. The program content provides a balance between safety education, safety skills, movement skills, continuous activity and fun.
The Halton Hills recreation and parks department offers swimming lessons throughout the year, which are offered in the fall, winter, and spring once a week for 11 weeks and over 11 consecutive days during the summer.
Any child, any age can take part. The cost for the lessons are one half hour - \$12, three quarters of an hour - \$18, one hour - \$24. Continuous registration is going on now.
Call the Acton indoor pool at 853-3140 or the Georgetown indoor pool at 877-7721 for further information.

Horsin' around

Continued from page A5
jumps and a "devil's dyke" - one of the toughest jumps for grand prix equestrians.
There's been a lot of work done on the course to ensure good turf footing and North American course designer Robert Jolicoeur of Montreal has plenty of raw material at Lothlorien to develop an impressive course.
Besides the big event coming up Saturday, the Cheltenham Horse Show has been presenting some fine junior talent the past few days. There were children's and youth's events Monday and Tuesday and from today (Wednesday) until Sunday there are a variety of jumping events for both adult and junior competitors.
Top prize money for the Rothmans World Cup grand prix is \$6,000 with the purse gradually lowering to \$700. Tickets for the event are five dollars each.
Lothlorien Farm is easy to reach from Georgetown. Stay on Winston Churchill Boulevard from Norval and continue past Terra Cotta. The Farm, readily identifiable by the large green and white house, is located on the Cheltenham Third Line, about a quarter of a mile from Side-road 27.
