

Glen Oldtimers show their stuff!

Local Glen Williams men advance to final round of championships tourney

The host Glen Williams Oldtimers fastball squad advanced to the finals of their Oldtimer tournament last weekend, showing to the fans what home-field advantage can really mean.

The Glen Williams squad advanced through the ranks and were finally stopped cold by Bramalea 9-1 in the finals.

The Glen team started off well by playing a strong hitting game against Acton to win 6-2. After two innings

the game was scoreless, but hits in subsequent innings, including three runs in the sixth inning, took the wind out of Acton's sails.

Limehouse had tough competition against Scarborough as they were downed 11-4 in their game on Saturday while Acton avenged their earlier loss by downing Norval 7-4.

Rexdale proved to be one of the powerhouse teams in the tournament by dumping

Limehouse 14-1 and then later edging out Acton 9-7.

The Glen Oldtimers continued their march to the championship round with victories over Scarborough (11-1) and East End Mets (8-1).

In their semi-final game against Rexdale the Glen Oldtimers shutout their opponents in a 3-0 victory. However, the locals were stung by Bramalea 9-1 in the championship game.

The Glen Williams Oldtimers outplayed all of their opponents except Bramalea in the championship round last weekend. The Glen Oldtimers hosted the tournament and looked impressive for their local fans. (Herald photo)

Extra large Coho salmon

Of course SALMON are the hot news these days, but there is still a lot of good fishing around the province, and I will try to get some of it here for you. Please let me know of any activity you may be experiencing in the field of bass or trout.

The COHO salmon in Lake Ontario seem to be extra large for this time of the season, but that is no indication that the all time record will be broken.

It may be as these fish put on about one pound of weight each week between now and the run upriver to spawn. That could mean an extra eight pounds, add that to the 17 pounds plus fish that were landed last week and WOW. As mentioned don't expect it but it may happen.

The largest Chinook to last Saturday was a 27.12 pounder taken by R. McGarry of Oshawa, and the 17.84 pound COHO taken by Ray Bruneau of Whitby. I am endeavoring to keep a daily tally of the contest, and if you wish information please call me at 877-9290 or 877-2201.

Up to date information on what to use and where to use it as well as any other pertinent facts will be ready.

Just talking to Dale Wood of Glendale Charters, and he is of the same opinion as others I have talked to. The few fish of good size are the exception, and the majority of fish, (if you can call it a majority) are small.

Lake Erie is still hot with lots of big fish, but Lake Ontario is still slow. Remember that I forecast months ago, that the salmon could be slow this year, until late in the season. These may be of the same strain as the salmon that came in October during the fall of 1979, and the fishermen had already left the lake.

DALE KNOWS FISH
Dale is a knowledgeable fisherman, and is well able to find the fish if they are there. Give him a call, if you want to know what is going on out on the lake, 877-1628.

Probably things will improve rapidly after Labour Day weekend, and from the report given to me by Dale Wood, Lake Erie should be better than ever next year and if the number of small salmon here on Lake Ontario this year is any indication, he believes it will be hot here too.

Even though the Police are searching for a body in the waters of Kelso park in the Milton area, the park is still in full swing. There are activities for almost everybody, and the fishing is still good there for trout.

The Halton Region Conservation Authority photo contest is still open to entrants and the Corn Cob Capers will be a great family activity at Mountbarn.

Small Game hunting season are as follows: Squirrel, September 26th to December 15th; Cottontail rabbit October 21 to February 28th; Grouse September 28th to January 15th.

There are minor changes from last year and the regulations are now available in printed form. Deer hunting is for a period of four days in this area, and the dates November 2 to 5th and the application form can be obtained from the Ministry of Natural Resources Cambridge after September 1st.

These must be returned by September 25th and the drawing will take place the week of September 28th. The successful applicants will be mailed out by October 9th. Shot guns and Muzzle loaders only will be permitted and no dogs will be allowed.

Canada's largest floating boat show, Dockside '81 will be from September 17 to the 20th. This is the 10th annual and will host 150 exhibitors and probably welcome 25,000 visitors. Head on down to Ontario Place if you are interested in boats and boating.

Travelogues will be held in the Queen Elizabeth building of the CNE October 2-4th. More on this later as news becomes available. See you on the Lake.

Mixed tennis

Last Tuesday the Georgetown Intercity Mixed 'B' tennis team outclassed their Mimico opponents on the court to register a 5-1 win in matches.

Bob Houston and Rene March started the landslide by winning both sets 6-1 and 6-0 while Mike Mitchell and Jim Taylor were equally devastating in their 6-2 and 6-0 victories.

Don Hurly and Peter Acton fell into hard times when they were downed in sets of 6-4, 2-6 and 3-6 while Kevin Neil and Kay King kept the Georgetown ball rolling by defeating their opponents 3-6, 6-3 and 6-2.

Audrey Houston and Jerry Peace paced the locals to another win in scores of 6-2 and 6-4. Isla Allison and Linda Rice rounded off the scoring with their victory in sets of 6-3, 4-6 and 6-3.

NOT WORRYING
Norval has long since given up worrying about their defensive game and are slowly trying to build up an offensive repertoire.

DIRAPPOINTMENT
Another major disappointment this year has been the play of Mountainview Plaza who would appear to be much better than their record indicates. They were burned this week by Foberts, a team that is making some headway after a slow start.

Bruce Urch was the star for Foberts' catching two TD passes, kicking 3 converts and picking off an interception.

Brian Pemberton also had two majors, while Wayne Johnson and Brian Tilson had the others.

Jerry Kelman had the lone Mountainview score and Nelson Barber stood out on the shell shocked defense.

Jeff Lockwood took over the reins as quarterback for Dalry Queen Sunday and steered them to a 36-15 win over Norval.

'It ain't over 'til it's over':

Wimpey's and Greeks fit the bill this time

By TIM TOLTON
Herald Special
Famous baseball philosopher Yogi Berra apparently once coined the phrase "It ain't over 'til it's over", a statement more obscure than profound, but it seems a pretty apt description of both Wimpey's and the Greek's seasons.

On the one hand there is Wimpey's, the team voted most likely to succeed after knocking off Delrex last week and on the other hand the Greek's who had yet to beat anyone of consequence this year.

On paper the Wimps should have won handily but indeed "It ain't over 'til it's over". The Greeks were one of the first half's most baffling teams showing only flashes of promise and sporting the second most porous defense in the league.

Now they've won three in a row and appear to be mounting a second half push as they raved off Wimpey's 24-22 this week.

LIKE DENVER
Wimpey's are like the Denver Broncos of a few years back—a great defense but a toothless offense.

The Greek's John Karolidis had almost as many points by himself as the Wimps offense, cashing in three TD's and a two point convert. Dean Scallen and Paul Wilson each had two pointers as well.

Karolidis had 2 in the first half to one for Wimpey's Bob Morrow but Wimpey's grabbed the lead in the third quarter when Gary Lockwood ran back the opening kickoff 65 yards for a major, then Morrow added his second of the day to put them ahead.

That was the whole ball of wax for Wimpey's though as the Greek defense tightened up and Karolidis added the winner in the fourth.

DISAPPOINTMENT
Another major disappointment this year has been the play of Mountainview Plaza who would appear to be much better than their record indicates. They were burned this week by Foberts, a team that is making some headway after a slow start.

Bruce Urch was the star for Foberts' catching two TD passes, kicking 3 converts and picking off an interception.

Brian Pemberton also had two majors, while Wayne Johnson and Brian Tilson had the others.

Jerry Kelman had the lone Mountainview score and Nelson Barber stood out on the shell shocked defense.

Jeff Lockwood took over the reins as quarterback for Dalry Queen Sunday and steered them to a 36-15 win over Norval.

NOT WORRYING
Norval has long since given up worrying about their defensive game and are slowly trying to build up an offensive repertoire.

While nobody is quaking at the prospect of playing them as yet, they are making some progress. This week's 15 points represented an offensive deluge in comparison with their usual numbers.

Stacey Hurley at Canadian Open

Georgetown's nationally ranked tennis player Stacey Hurley didn't have the most desired opponent in the first round of the Canadian Open women's tennis championships in Ottawa last week.

Stacey faced second-ranked Diane Blondeau who had won the nationals last year. She lost her singles match, then went on to play her doubles match with partner Indra Gupta

from Alberta. They advanced to the semi-finals before they were defeated.

Stacey has completed her tennis circuit for the summer and will now be preparing for her departure to the University of Minnesota where she will be joining their tennis team. Their season begins September 15.

By MARIE SIMONYI
Herald Special
The Green Sprouts defeated the Beige Dusters 7-10 (game played May 25). The victors had four innings where no runs crossed the plate.

Star of the game for the Green Sprouts was Donna Reed for excellent pitching and Betty Simonyi for her two home runs. Dusters star was Mary Jones for good pitching and fantastic defence.

Rain Games
In Wednesday's first game The Blue Stealers defeated White Lightning 24-14. White Lightning took the lead for the first 4 innings but a shaky fifth destroyed chances for a victory over the first place Stealers.

Stalers stars were Mary Pearce, Doreen Dobbins, Candy Armstrong and Sandy Lewis for good defence. Homers were belted out by Sharon Palyk, Lorraine Tarzwell and Linda Donais. Lightnings stars were Linda Pells and Robin Richardson for good defence and Diana Tripp and Clary Vanderbyl for batting talents.

In the second game of the night the Orange Appeals burned the Fireballs defeating them 28-14. The first two innings started out scoreless but at the bottom of the third the Orange Appeals were ahead 10-2 and they kept the lead through to the final inning.

Fireballs stars were Laura Easdale for great batting and Debbie Knoepfl for great fielding. Orange Appeals stars were Dianne Saunders and Sue Williams for good pitching.

In the final game of the night The Grey Shadows defeated The Goldiggers 31-11. The Shadows took a 15-3 lead after second inning and their fantastic defence enabled them to take the game no problem.

singles went to John Halliburton, Andy Broadbent and Craig Wilson.

Sprouts look big against Dusters

Entire Shadows team earned star honours for a well played game. Goldigger star was Debbie Williams for consistency at the plate (two for two at bat).

Against Richmond Hill Barb Curry pitched again in the 6-1 victory. Monica Pollock was 3 for 4 at bat while Bonnie Penney was 2 for 3. The Royalettes scored in the third inning (four runs) and fourth inning (two runs).

Depending on the results from the past two days, the Royalettes could either end up in fourth spot or eighth spot in the 16 team division. Only two points separate the top three teams while only three points separate the other five teams in the playoffs.

Next weekend the playoff begin in a double knock-out series, the place to be decided in the near future.

Royalettes make playoffs

The Georgetown Legion Royalettes claimed a playoff position for the Intermediate girls league championships last week by defeating Cookville 1-0 and Richmond Hill 6-1.

Last Tuesday Barb Curry hurled for the Royalettes successfully against Cookville and earned a three-hitter. Offensively Bonnie Penney was the star, batting 2 for 2 and collecting a double

came up with an interception to set up an insurance TD by Mike Buck.

Angels floor hockey

The ARC Angels, North Halton Association for the Mentally Retarded's floor hockey team, had a good showing during the 1980-81 season. In addition to regularly scheduled games, the Angels played tournaments at Hamilton, Brampton and twice at Oaklands. Of the four teams in the Regional Play-Offs April 23, the Angels defeated Toronto and Oaklands, and lost to Brampton by only a very slight margin. A big thankyou goes to Lee Vivian, Terry Laidlaw and Wayne Laidlaw, who volunteer their time and energy in order for all the players to take part and enjoy themselves in the floor hockey arena.

Martin Hardcastle had 3 converts and Paul Cunningham one.

Paul Larose and Brent Ferguson took care of Royal's TD's and Howie Hulme added a pair of two point converts.

PASS DISPLAY
Eion Hayes topped off a great display of pass catching with 2 touchdowns. Fournier had the other.
