## SOCCER

By ALEX TOUGH

Sunday 16th. Missed the Mariners practise game at 9 a.m. as I did not arrive home until mid afternoon. At 6:00 p.m. reffed the Senior Girls Shoppers Drug Martyrs against West Finch in the Golden Horseshoe Cup.

In spite of a valiant effort we went down 0-2. West Finch are a physical team with an advantage in size which they utilise.

We stayed with them most of the way until a late goal settled the issue. Returned home to a few phone calls and wrote the article to finish the day at midnight.

Monday 17th. Spoke to the Peel-Halton office and Peel-Halton League about a couple of disciplinary problems. Met with Jean Belsaw and Sally Remedios to sort out field problems. Telephoned some of the S.D.M. girls and Ancient Mariners for the weeks fixtures.

Took in the second half of the Juniors 2-2 game with Acton. Leading 2-1 with 15 minutes to go John De Haas broke in on goal from the left and was challenged by a defender and goalie.

The crack was heard over the noise, over the length and breadth of Cedarvale. John is in Georgetown Hospital with steel splints to mend a double break. He scored earlier and maintained his record of scoring in every junior game this season.

Later, the Senior Falcons won at last, deservedly defeating Morningstar 4-0. D. Chapman (2), S. Robbins and J. Harkins were the scorers. The winners were the whole team with the ball at last running kindly.

Jimmy Harkins deserves a mention for his solid work at the back and steady leadership throughout a difficult season. The team now embarks on a five game away schedule.

Tuesday 18th. Opened up Cedarvale, watched the opening of the Minor Peewee win over Bolton and carried on with a couple of phone calls and the monthly Youth Executive Meeting from 7:30 to 10:30 p.m. more phone calls.

The Peewees were playing good ball controlled soccer

and looked steady in defence with John Borgue looking very competent in goal and Bruce Ferguson stopping all in front of him.

### MAJOR PEEWEEES

Wednesday 19th. The Meteor Major Peewees returned after a two week lay-off to a sound win over close rivals Dixie. The whole team rose to the occasion and took the opposition "to the cleaners."

The lads are faced with away games to Brampton and Orangeville and round off the season at home to Clarkson. Whilst all this was on I was in Acton with the Mariners dropping another game by a single goal in a 3-1 result. I felt this was a good match particularly as we were minus a few stalwarts.

Colin Wilde, Gary Spiller and Gerry Burgan were scorers. Then it was back to Cedarvale for a short meeting with Dave Manning. Watched the Meteor 'B'-Ajax tussle which was a fast, end to end game for the most part. Thursday 20th. Inter-County League Meeting and Playoff format was the major topic. The top two teams in each division receive a bye in the first round; 3rd place plays 6th place and 4th plays 5th. The winners will play either 1st or 2nd dependent upon the points totals in the league.

Then the Shoppers Drug Mart Seniors continued Georgetown's victory week by 2-0 over Richmond Hill. A penalty from Linda Wilde and following up by Dena Pickett brought the goals. The result flattered the visitors who defended throughout the whole game.

We enjoyed the luxury of a full squad of 14 players for the first time and put them all to good use, and they played very well.

Friday 21st. The Major Mosquitos fell 1-3 to Miss. SC with me reffing. The lads were a player short, missed a penalty, slayed the posts and generally "could not buy a goal". There is a lot of potential there. Then home, shower, shave, beer and bed. Exhausted! See you.

# G. I. R. L. S. soccer Team effort spurs Peewee Eagles in tie

## PEEWEE

Golden Eagles 1  
Octagon 1  
A superb team effort and excellent play by all, especially Jane Taylor, who scored the lone goal for the Eagles. Leanne Murray put in her usual excellent game, whilst Michelle Bailey also played hard.

The Octagon team were unable to get their usual win this time, but managed a draw thanks to a goal by Sharon Jakman.

## Firebirds 1

Acton 2  
Kelly Roe put in her usual excellent game, scoring the one goal for the Firebirds and was ably assisted by Darla Gillespie and Arlene Bergsma. Both goals were scored by Anette Kroezen for the Acton team.

## Firebirds 1

Hillsburgh 0  
Barb Savage played well in goal with Laura Steen and Kelly Lashley putting in a good effort, along with the rest of the Firebird team. Hillsburgh did not manage to net a goal, but is putting up a better fight each week.  
Dynamics 0

Milton 1  
The score of this game belies the play, as the ball was in the Milton half of the field most of the time. Michelle Barnard put in an excellent game at halfback, as did Colette Post.

In goal for the first time, Amy Powers did a superb job, for the Dynamics, but thanks to a well played breakaway by Pamela Simons she scored the lone goal winning the game for Milton.

## MOSQUITO

Rapidfire 1  
Spikes 0  
Sharon Clifford's endless hard work resulted in the only goal of the game. Ester Gerrits made some excellent saves in goal for Rapidfire during the first half.

Tara Burroughs also did very well in goal in the second half, with Lori Marks being a strong contributor throughout the game. The Spikes all played hard with Chantal Desrosiers always a threat and Jenny Gallagher putting in her usual excellent game and Kim Howat supplying a sound effort.

## Rapidfire 10

Bolton 0  
This Rapidfire team play-

ed really well to dump the Bolton team by a higher score than we really like to see.

However the skill of our Georgetown girls can be a pleasure to watch and Janine Boomsma, Trina Bassett and Jacqueline Gerrits all put in games that make great watching, as did the goal scorers Allison Irvine - 4, Sharon Clifford - 4 and Debbie Hick - 2.

## Royals 1

Hillsburgh 0  
Robyn Lane scored the lone goal for the Royals, being soundly backed by good play from Tanya Stoyles, Tanya Morrow and

### The Herald's Meet the Glen Merchants

## Fielder Dean Hancock

Dean played all his life through the Glen Williams circuit.

For years he was a catcher, but an injury persuaded him to move out into the field.

Dean has been one of the most consistent hitters on the Merchants over the years. This year is no exception. When the Merchants need

that one important hit, Dean will come up with it. His friendly and very humorous nature is always well enjoyed by his teammates.

Dean is also the key person who maintains the ball park to keep it up to its reputation as the best park in the county.

## Squirt selects

Last Saturday on a bleak miserable day, Dave Manning's squirt selects team played in the Oakville Minor Soccer Tournament. Over the whole day three games were played. Only lack of team experience defeated them against Oakville, trailing 1-0 at halftime, it ended 3-0.

The game against Agincourt was a different story, better all round team performance in a very tight game; the team, unfortunately, missed a penalty in the last minute and Agincourt won 1-0.

The Selects came fighting back against Clarkson. Excellent passing and sheer determination gave Georgetown its first goal of the day. They went from strength to strength and finally won 4-0.

There were no star players over the three games, as the whole team gave their all, on a day most of us would not have put a foot outdoors.

The magic of their determination must have attributed to dry shirts for each game. Well done lads! Well done parents and supporters!

Scorers: David Lawrence (2), Jason Smith (1), Eduardo Piqueras (1).
